12.5 months. 65 cms. Large, just medium strong, still well proportioned dog whose bones should be slightly stronger overall. Expressive head and medium eye colour. Normal length of neck, high withers, straight back, slightly short and slightly steep croup. Requires further development of both the fore and underchest. Stands correct in front. Good fore and hindquarter angulation. Correct going and coming, yet to achieve final firmness of both hock joints and elbows. Displays balanced and easy ground covering movement with equally effective reach and drive.

7th VOLSCAIN QANTO 15/02/2007 J & M Rice/I & M Cooke
*Karlos vd Werther Muhle a ED (Gmy) - *Molle vd Werther-Muhle a ED (Gmy)

12.5 months. 66 cms. Very large, and standing on the absolute upper limit of size, medium strong, and still well proportioned dog of still good type. Black and gold saddle markings. Good head which could still be stronger and the eyes darker. Slightly short and erect neck carriage. High withers, from a slightly forward placed shoulder, straight back, short and steep croup. Still requires further development of the forechest. Correct in front. Good forequarter where both the lay of the shoulder and angle of the upper arm should be more pronounced. Good hindquarter angulation. Moves correct going with slightly loose hock joints, slightly wide in front with somewhat loose elbows. Movement is balanced where both the reach and drive should be more effective.

8th DENARGUN VORPAL BLADE AZ 20/09/2006 K Ballantyne
*Denargun Jabiru A Z - *Denargun Scarlet Fever A Z

17 months. 63 cms. Ideal medium size, good medium strong, very well proportioned dog of very good type and harmony of construction. Black and tan saddle markings. Good head and expression. Good length of neck, well placed withers, straight back, and well moulded croup. Correct in front, with normal fore and underchest development. Very good fore and hindquarter angulation. Steps slightly close behind, correct coming. Easy ground covering movement that ideally could be more powerful, but is very well balanced.

9th ARKAHLA PHANTOM MENACE 27/01/2007 O'Loughlin/Collins
*Ch Gigolo v Elzmundungsraum a ED (Gmy) - *Aarkahla Limerick A Z

13.5 months. 65 cms. Large, medium strong, still well proportioned dog of good type. Black and gold saddle markings. Good head, where the ears should be slightly firmer. Slightly erect and slightly short neck, flat withers, straight back, short and steep croup. Still requires further development of the forechest, normal underchest development. Correct in front. Good fore and hindquarter angulation. Steps slightly close behind, correct in front, where both the hock joints and elbows are to achieve final firmness. Shows good ground covering movement, where the reach could be more effective and the ear softness, particularly of the right ear becomes more apparent.
