### NOVICE

97     **GARAZIA SHREK** 5100033157     17/06/2004  
**Sire:** \*Leberhine Ijaz A Z H.Neg - 5100014919     **Dam:** \*Sheprose Elle - 5100004502  
**Breeder:** Clark S     **Exh:** Tugend H     **Club:** PD ODC

This dog and handler achieved an excellent score winning the class with the score of 190. In heel on lead and heel free there was a little crowding and missed positions, positioning very good. A nice team effort. I felt handler stopped a little abruptly at times causing both to become unbalanced and hence crowding. Both stands were steady. Recall was fast, marred only by a crooked sit and finish. Stays steady. A little daylight but hoicks and elbows firmly on grounds throughout the down stay.

90     **DARKKNIGHT JEMIMA AZ**     5100024190     20/04/2002

Very nice heel work in both heeling exercises, marred only by a slow response to command, positioning at times and wideness, also missed a position.

Heel work was very good, deductions given for crowding, wideness and double command.

Stands – Good

Recall – when giving finish signal dog jumped towards handler hand finishing slowly in incorrect position.

Both Stays – Failed.

Heel on lead very nice with only imperfections.

Heel Free – Failed this exercise

Dog lost concentration on fig 8 failing to accompany handler around post on a number of occasions also handler was clicking fingers on occasions.

Recall crooked sit, crooked finish.

Stands O.K.

Withdrew stays.

**Breeder:** Phillis J (Mrs) **Exh:** Gray A & K **Club:** GSDC of SA

Both heel patterns were marred by crowding the handler at times. Positioning was not good. I feel this could be due dog losing concentration towards closing stages of both exercises.

Stand Exam. – move 3 Feet

Stand Stay – Good

Recall – failed to sit in front of handler. Left/ring therefore zero score.

Stays – dog steady

Once dog becomes settled I am sure you will enjoy your trialling

Good Luck.

**Breeder:** Mayne D **Exh:** Mitchell D **Club:** GSDC of SA

Deductions in both heel on lead and heel free were for slow sits and downs, missed sits and downs. I felt handlers signals were a little too quick for a novice dog. In heel free dog left ring (far more interested in happenings outside ring) – zero score.

Recall – verbal commands given for sit at beginning of exercise, also for a sit in front and finish.

Stands – goodm Stays Good

Dog lacked concentration at times. Good Luck in your future trialling.

94 **KARLSKIND OWOTA FEELING** 5100031417 11/02/2004 N/Q

5100016862 **Breeder:** Exh **Exh:** Coppola J/Gale P **Club:** GSDC of SA

Heel patterns – deduction were given for crooked sit crowding, positioning, missed down position, lagging (off Lead.)

Stands – good

Recall crooked sits.

Stays – both broke.

Handler must relax more in the ring, Voice rather abrupt, signals a little too quick for a novice dog.

Your dog is still very young. I'm sure you will have more enjoyment next year when dog has matured a little more. Good Luck.

95 **SHAITAN ONLY JOKIN** 5100026027 21/09/2002 N/Q 108

A very competent handler who worked extremely hard to keep this dog interested. Deductions in these exercises were for missed positions, crowding, slow sits.

Stands – good

Recall – crooked sit at beginning of exercise, failed sit in front of handler, slow response to finish (lesser points)

Stays – broke both.

Good luck with trailing

96 **ARKAHLA CHIPPER JONES** 5100030651 28/11/2003 N/Q 153

**Sire:** \*Vonpeta Questor A Z H.Neg - 5100012653 **Dam:** \*Vonpeta Nadine A Z ET CD **Breeder:** O'Loughlin W & J **Exh:** Sumsion D **Club:** GSDC of SA

Heel on lead, dog full concentrating – crowing a little whilst tending to move a little wide at times.

Stands – good

Heel free – wide of handler, failed down position, slow response to some signals. Handler must remember extended signals are penalised, these signals were used in both heeling exercises.

Stands – good

Recall – crooked sit, crooked finish.

Sit Stay – Good

Down stay – dog twice raised elbows whilst rolling hindquarters, therefore a zero score.

Dog and handler show a lot of promise, as it was first time in ring for both.

A perfect team effort, handler and dog worked in perfect unison, Only three points were deducted for remaining exercises. These were for wide and slow finishes.

Heeling was rather disappointing, lagging positions, wide at times, several missed positions. The remaining five exercises were only for minor imperfections.

Stands – moved 2 feet – poor stand.  
 Retrieve on Flat – Crooked Sit, slow finish.  
 High Jump – crooked sit and finish  
 Broad Jump – crooked sit and finish  
 Stays - solid

Heel work overall was quite good with deductions for missed position and crowding.  
 Retrieve on Flat was disappointing.  
 Dog dropped dumbbell whilst returning to handler – failing to deliver to hand.  
 Broad Jump entailing two substantial deductions.  
 Sit Stay – failed to remain in sit position.

Very good team work marred by heeling a little wide at times.  
 Drop on Recall – very nice, a little slow to drop, crooked sit and finish, Retrieve on flat, high jump and broad jump entailed minor deductions.  
 Unfortunately dog gets very agitated in stays – failing to remain in the sit position and receiving deductions for fidgeting in the down position. I feel once the stay problem is overcome you will have a lot of fun stepping up to the next level.

Although a non qualifier this dog worked extremely well failing part one of the directed jumping.  
 Only minor deductions were recorded for the rest of the exercises attempted.
