3 years 8½ months. 64.5cms. A large, strong, substantial dog of very good type. Strong masculine head where the eyes should be darker. Very good length of neck, high withers, firm back, slightly short, steep croup. Stands not quite correct in front with very good fore and good underchest development. Good fore and very good hindquarter angulation. Steps slightly narrow both front and rear, where the hocks should be firmer. In movement shows good ground cover with good reach however the drive should be more effective and the back firmer.
