16 months. 66cm. A very large, medium strong, expressive male of very good type. Strong, masculine head where the planes of the skull are not quite correct. High withers, straight back. Good length and lay of croup. Stands correct in front with good forechest development. The underchest should be slightly longer. Good forequarter angulation and very good hindquarter angulation. Slightly narrow going, correct coming. Shows a good ground covering gait however, I would like to see him show himself with more exuberance during movement. **Graded Very Good.**
