## John De Lucia

I would like to welcome back our members to the 2013 club year.

For those breeders with up and coming planned litters and within the club's Recommended Breeding Practices, please advise our Secretary, Doug West so that a notice can be placed onto the club web site.

Our new web site is up and running and looks terrific. It is very easy to navigate and full of useful information. The site is [www.gsdcscsa.org.au](http://www.gsdcscsa.org.au) Your feedback is welcomed.

## Heidi De Luca

It has been a busy few months for the Communications Officer– this new role encompasses the Shepherd News editing, the website and the official Facebook page.

The new website has been launched and we hope you are finding it easy to navigate and the information is up to date. Website address is [www.gsdc.sa.org.au](http://www.gsdc.sa.org.au) Huge thanks goes to my sub committee Jane Pike and Andrew O'Loughlin, for their time and expertise. Please contact me if you notice that there are any errors, lots of information needed to be transposed and edited during the change over. I can be contacted via email on [tassie60@hotmail.com](mailto:tassie60@hotmail.com)

We will endeavour to keep the Shepherd News interesting, website and Facebook current and informative.

Apologies for the delay in receiving the December/January edition, we had an error with the printing and with the close down of many businesses over Christmas it delayed the run.

2013 is shaping up to be a busy year, the National is fast approaching and Robyn has sourced some great memorabilia, for locals we have the opportunity to try on a small number of items for ensuring we order the right size, please look on the website for more detailed information.

We have new hygiene bins in the ladies toilet, please use them as they will be changed over regularly.

Please remember to inform the secretary if your address changes so we can ensure that the Shepherd News arrive at their correct destination.

Shows are kicking off for the year with Alistair Henderson at our first members competition for the year.

# Treasurer's Report

Peter Flynn

The start of the year has been good financially for the club.  
Our bank balances have improved significantly from the end of last year:

	<u>Nov 30, 2012</u>	<u>January 31, 2013</u>
Main Account	\$ 2,726.43	\$ 8,187.02
Cash Account	\$16,148.41	\$23,155.65
Total	\$18,874.84	\$31,342.67

The major reasons for this improvement are due to membership receipts which are received in the first couple of months of the year; and to upfront receipts for the 2013 GSD National Show and Trial for Corporate Tent Hire, and Sponsorship and Donations. The challenge going forward will be to control our club expenses and manage the National to ensure it at a minimum breaks even.

*Doug West*

The year started with the 1st Puppy day havening to be cancelled due to the heat, however the Handler day on the 13th January and the second Puppy day on the 20th January were both well attended by old & new members, and thanks to Bev & Jamie every one enjoyed the BBQ. Also thanks' to Peter Flynn for his instruction to the members in the handler class.

Our first training for the year was Wednesday evening the 23 January, there was a very good attendance to both Show Class & Obedience Classes, The day was a bit warm but down on the Club Grounds it was very pleasant with a slight sea breeze coming in.

Bev has been having trouble with the Coffee machine Salvatore organised from Monjava Coffee. The machine has been taken away but will soon be returned in working order, so the Canteen can serve you the great flavour of this coffee with short blacks, long blacks, Cappuccino and all your favourite coffee choices, before, after or during training.

National Council's AGM is on the 9th & 10th of February, we had a open meeting for members to have a input on the Agenda.

Our first Breed Survey for the year will be on Sunday 24th February at midday. I love shooting the gun on the temperament test to see who jumps higher than Joylene. But on the serious note it's a very important part of a

Dog's credentials, apart from Hip & Elbows our dogs need to gain a Breed Survey status to be able to receive the Excellent Grading & Medallion. For those members who have not been to a Survey it's a good opportunity to come down or if you are at training in the morning stay and watch the Survey. The Surveyors check each animal's height, weight, the teeth are counted to see if there is 42, the tattoo is checked against the records, the animals are moved and assessed for their ability to be able to move effortlessly, and retaining a nice strong back during the movement, they are checked at the front for the correct stance and at the rear for any loose ligamentation or looseness in the hocks.

Don't forget the meet the Judge (**Alastair Henderson**) BBQ on Saturday 16th February at 6:30pm at the Club Rooms, and the Learner Handler Conformation Class on Sunday the 17th at 10:00am and the Grooming Lecture at 12 noon. to be presented by Debbie Mayne & Sandra Pilgrim. Put a note in your diary that there is NO TRAINING on Easter Sunday the 31st of April.

Adelaide Shores have advised me that nothing much is going to happen to the Club Grounds over the next 12 Months.

# From the Second Vice President

**Salvatore Pittelli**

Happy New Year to all our German Shepherd Club of SA members.

As the nominated 2nd Vice President (Breed Affairs) in 2012, it is with pleasure that I provide you with my first report.

Our first Breed Affairs meeting for 2013 was held on the 11th of January and I invited all Surveyors and Judges to join the members of the Breed Affairs sub committee on this occasion. I am happy to report that the meeting proceeded well and many concise discussions took place. It was great to see how passionate all the attendees are when it comes to the welfare of the German Shepherd Dog. I believe that moving forward it would be of great benefit for the breed to invite all Surveyors and Judges to future Breed Affairs meetings, as this will bring the best possible knowledge and ideas to the meeting, therefore I will be implementing this moving forward.

Please note that Show training will resume on the 23rd of January and I believe that we will all be ready for this after our break for the festive season. Although January is nearer a close, we still have a lot of hot weather in front of us, therefore I take this opportunity to remind all our members the importance of ensuring that our beautiful dogs are taken care of whilst they are being worked in the summer months as it doesn't take much for dogs to become dehydrated and distressed during the hot weather.

As all members are aware we seem to constantly have to deal with our share of media negativity towards dogs in general, therefore I urge all members to continue to support our club breeding practice.

Please view our club website [www.gsdcса.org.au](http://www.gsdcса.org.au). for more info on Breeding Practice.

We will be holding three Member's Competition, one Championship Show and one Open Show during the 2013 year. However our club will be hosting on behalf of the GSDCA the 41st National Championship Show & Restricted Obedient Trial. For all show and show training dates, please visit our club website [www.gsdcса.org.au](http://www.gsdcса.org.au)

I look forward to providing you updates throughout the year on behalf of the committee and take this opportunity to wish you a successful year with your dogs / bitches - go SA!!

# LEARNER HANDLER CLASSES 2013

There will be eight Learner Handler Classes for Conformation Showing in 2013. The dates and instructors are listed over the page.

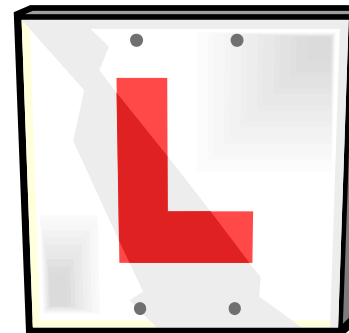

These classes are designed to help not just the complete novice but anyone that may want to pick up some tips from our “hand picked” instructors, who are:

**Ms Issy De.lucia**—Issy is an up and coming youth handler who has not only handled for her own kennel Babenberg, but has been lucky enough to handle for exhibitors in Queensland at their shows. I would encourage all of the youth handlers to attend sessions conducted by Issy who will be able to share some tips with you. For the older stalwarts, you never know, you may just learn something from her as well!

**Mr Andrew O’Loughlin**—Andrew is well known to most around the Club and is currently the Youth Officer for the GSDC of SA. Andrew is a straight shooter and has fresh ideas and opinions on the direction of the GSD in Australia. I encourage everyone to view the presentation on the GSDCA website compiled by Andrew and presented at the Future Directions Workshop by the Council President, Mr Vince Tantaró. The document can be found at <http://www.gsdcouncilaustralia.org> then go to the Future Directions Page and look for *YOUTH REPORT*.

**Mr Jamie Phillis**—Jamie has been around the Club for many, many years, and in fact has grown up at the Club. He is a most experienced handler with a steely glare that could paralyse you. In 2012 Jamie handled the Gold Medal Winning Bitch at the National Show and Trial in Newcastle—probably his most satisfying moment.

**Mr Robert Evans**—Leaving the oldest to last or should that be the best? Robert in his long life has handled many class winners at Nationals, Championship Shows and other competitions. As a handler he has the ability to “read” a dog and understands that every dog is different. He has attended a Sieger Show in Germany, is a successful breeder under the Leberhine prefix and has red hair!

## Learner Handlers Class Schedule—Sunday 10 am

10 February 2013	Mr Robert Evans
17 March 2013	Ms Issy De.lucia
28 April 2013	Mr Andrew O’Loughlin

25 August 2013	Ms Issy De.lucia
29 September 2013	Mr Andrew O’Loughlin

Please consider attending these classes if you are looking for instructions for you on how to handle, it is difficult during typical training sessions to give people support about handling techniques, especially when the classes get large.
