President's Report

John De Lucia

I am sure that you all would have seen how terrific the club rooms look now that they have received a much needed coat of paint. There are several members to thank for this and they are, Kevin Corlett, Peter Flynn, Charlie van Groen and Tony and Ana Schoemaker. All worked tirelessly to make the club rooms look fresh for the 2013 National event. Thank you to all.

A new wall mounted TV screen has been purchased and installed inside the club rooms to replace the old television set. Can parents please be aware of their children touching and adjusting the TV settings.

The 41st National Show and Trial has been and gone. All the many months of planning and preparation were over very quickly but was worth it judging by the reaction of all competitors who had nothing but praise for those who helped to put on a fantastic event. It was pleasing to see many members help before, during and after the event. It was a huge job made easier by your help. I would love to list people by name to give them the recognition they deserve but won't for fear of forgetting someone which I would hate to do. Your help gave me a sense of purpose and a great deal of pride. So, to all of you, my heartfelt gratitude for your help. To our National memorabilia manager, Robyn Parkinson, a terrific job. Well done and thank you!

I do believe that this was one of the best National events to have ever been held anywhere. I was overwhelmed by the emails, phone calls and personal contact made to me and via the club congratulating us on such a well run event. The canteen staff also were highly praised for a job well done and I thank Gayle Mercer for offering to run the canteen at such short notice and thanks also to her many helpers.

As a thank you to all helpers, Veloce have agreed to thank you in the not too distant future – thank you, Salvatore.

I have discussed the matter of our grounds with Dominic from Adelaide Shores and he has advised that at this stage, it looks to be about two years before any alterations are to be done on our grounds. I will continue to report on updates via the Shepherd News as they occur.

A reminder again to members of their speed when driving along the driveway to the club grounds. It has been noted that there are still members who flout the speed limit and enter the grounds too fast. PLEASE, slow down.

From the Editor...

The National has been and gone, it was a busy time for the organising committee who did a marvellous job. The atmosphere was great and we were lucky with the weather. The website team was kept busy ensuring that results were posted promptly for those who could not attend, many thanks to Jane Pike for putting together the formatting to make this possible.

Thank you to the obedience members who sent through their stories– please keep them coming it’s great to hear about member’s successes.

We are under going a review of our membership information, in this edition is a loose leaf which the committee would appreciate all members returning with the replied paid envelope or it can be done by completing the form on our website– the link will be on the front page.

Anna Schoemaker would like to thank the countless people who supported her role in catering for the National, without your help it would not have been possible to ensure that all the judges, stewards and other helpers were kept in good spirits with regular food and drink stops. Once again thank you, you know who you are and I don't want to miss anyone out.

Anna— Catering support

From the Second Vice President

Salvatore Pittelli

Everyone associated with the GSDCSA should be very proud on their professional conduct during the 2013 National championship show and trial that was held at our club this year in May. This was one reason that it was such a big success and many of our interstate fraternity continue to take the time to congratulate the GSDCSA on such a successful, enjoyable and fun National.

It should be noted that many of our club members fared very well with some their dogs and held their own in such a tough competition and take this opportunity in providing you with the SA results a little further along in this edition.

As most of you are already aware, both judges enjoyed the show and were privileged to have the opportunity in watching some of the progeny groups. Both judges insisted that it is very important for them to be allowed to see the progeny groups and provide us with feed back about our we can improve the breed in Australia. The judges both agreed that a show of such calibre should be run not only as a beauty show but more importantly as a breed show.

Well done South Australia!!

I would also like to mentioned that a breed survey was held the week before the 2013 National and once again, I take this opportunity in congratulating all the participants and particularly those who achieved the highest grading, as indicated in the results on the next page.

Salvatore Pittelli

Looking for a new home

Duke is a 4 year old pedigree male he is desexed and always vet checked with up to date shots I am still trying to find his birth certificate as it has been sometime since moving.

Duke took part in the Victorian German Shepherd club of Bendigo through his puppy years but unfortunately we moved from Victoria to country South Australia and couldn't take part in any further club work or training. However Duke is still a well behaved dog with an outstanding pleasant nature with a great deal of that Shepherd intelligence.

He is excellent around kids and elderly people and other dogs. I am going away for work and will need to depart from my best friend Duke and I am looking for a good person who is loving towards German Shepherd's to pass him on to if anyone is interested please call Aaron on 0428424443.

Seeking an older dog

Cheryl Turnwald contacted the club looking to adopt an older Female German Shepherd.

I have a younger GSD x and 2 indoor cats. I have a half acre block with good fencing.

My mobile is 0417 870 231.

Inspiration from our obedience club members

Darkana Indigo or Gus as he is better known as achieved his first pass in CCD at the 41st German Shepherd Dog Nationals with an outstanding score of 99/100 at just 16 months of age. He also gained 1st place with that score.

Gus is proudly owned and loved by Leanne Taylor.

Zeus and I have been trialling over the past 9mths with some scores very close to passing (my nerves were a thing to overcome) our first pass was at the Para Districts Obedience Club 13/4/13 with a score of 86, and today's trial at the GSDC of SA Inc trial with a score of 90.
