President's Report– John De Lucia

As we move forward into the year, it is fantastic to see such large numbers in attendance at the club. The Obedience section has had a great number of handlers and dogs along with family and friends attend and the recent Graduation and sausage sizzle was well attended with around 140 people in total there. It was a great sight as well as a great social environment. We also had a beach walk again with the numbers of dogs and owners being a sight to behold.

The change in format to the show class has also been well received. The feedback has been very positive, and the enforcement on teaching has been well received by the newer members and experienced alike. The club is looking into a formalised training manual and structure on show class and our 2nd Vice President, Christine Collins will keep us informed when this will be implemented.

I have recently had ceiling fans installed under the veranda for our members' comfort and will have more improvements carried out to benefit all.

I would like to thank Annette Nation and Di Paech for all their time and help in collating the club Library and magazines. They have now put into place a system and we have a full list of all the books and film available. Once finalised we will be able to open this up fully to all our members to use and we are in the process of having the old movies placed onto a digital format so they can be preserved and also utilised by all.

We will be holding a number of social events after the May National. These have been slightly postponed due to the cost of travelling to the National and to give everyone a chance to attend.

Continued pg 2.

President's Report Continued

On the Anzac weekend of the 24th, 25th and 26th April we will have a stall at the Animal Expo to be held at the Show Grounds. I look forward to this PR event and hope to see a number of you over the three days in attendance.

I also would like to officially welcome James Wissel and Rob Macpherson to our list of instructors. They have been a regular feature on the grounds instructing and have been presented their instructors certificates in front of their peers recently so well done.

I along with our Secretary, Stephen Collins, recently attended a meeting with Adelaide Shores where we were advised that the changes to the grounds should take place by the end of the year at this stage, but we will wait with anticipation until this actually happens as they are involved in a number of construction projects at this time.

We have been advised that we **WILL** be required to follow a series of legislative requirements which will take up a great deal of time and we will have to implement some records and asset requirements to meet our obligation to these. We will keep you all informed once we have the finer details of these requirements as at this point in time they have only advised us of what is on the way.

In closing, I would like to say that it is due to a great team effort that our Membership is up and ever increasing and we have money in the bank to be able to look at ways if required, to improve our facilities and look forward towards our future.

We may not always agree with the way we move forward but in the end it is about the breed and the club and I will always put the Club first.

Enjoy your family and especially your dogs.

From the Editor

This is my first edition as editor for the Shepherd News. Since joining committee, the President and myself have been working together to think of new ways in which the club can provide the members with information and news, and making the website the best it can be. You may have noticed a few changes and additions to the website—in particular the new areas of the obedience section of our website, which couldn't have been done without Andrew Johnston. A lot of work has been happening behind the scenes, to make the website easier to manage, and in turn hopefully quicker to bring you news.

Secretary Report– Stephen Collins

Welcome to All new members, there have been almost seventy new members that have joined the Club since the beginning of January this year.

It is very pleasing to see the club grounds packed on Wednesday nights and Sunday mornings with very enthusiastic members training their dogs.

The puppy socialisation class for the very young pups is proving to be a real success and congratulations to the team of instructors on their hard work.

There will be two (2) further puppy socialisation days throughout the year, watch for the notices.

Members are reminded of the Speed limit of 5km per hour on the drive way into the Club grounds, this is from the entrance from West Beach Rd. The area at the rear of the Clubrooms which is

utilised as a turning circle **MUST** be kept clear at **ALL** times to enable cars with trailers to turn around with ease. Your co-operation with both of these safety issues will be greatly appreciated.

I'm sure it's somewhere around here!

Members please be advised that the scheduled Breed Survey for April 26th has been moved to May 3rd.

Congratulations to Robert Mac Pherson and James Wissel on the completion and qualification as Instructors, well done. I am sure that your efforts are appreciated by the committee and members.

Members are reminded that the Club does not train on **Long Weekends, Mother's Day or Father's Day.**

1st Vice President Report—Andrew Johnston

Hi to all the members, A very productive beginning with the completed update of the training manual along with expressions of interest to sit the next available instructors course with Jenny Delucia.

We have introduced the new baby puppy socialisation and basic training class which has been extremely successful.

The new mock trial ring has been accepted with open arms by the handlers and instructors with excitement over the introduction to obstacles and formal group stays taking place in the ring. My next long term project is Rally Obedience (watch this space).

After compiling profile information on our current instructors, a new Instructors structure has been introduced to incorporate the diverse levels of experience we have at our club.

Instructor:

Completion of the training course plus a **CCD** obedience title

Senior Instructor:

Completion of the training Course Plus obedience **CD** title or above and have been at the club for a number of years and acted in the Head or Deputy Instructors position.

If you have any Photographs of training at the club you would like to share please give a copy to John Delucia.

Barking Mad Dog

Forget red dog! When myself and Khan turned up at the German Shepherd club for the first time, I could just imagine the voices from around the corner. "That dog is barking mad"! And the usual "he is normally really good with other dogs" didn't settle the nerves of the other clubs members.

"Just stand over there for a while" I remember them saying – "let him calm down a little". After 4 weeks it was suggested maybe he could walk beside class one!!! Only problem with that was the 8 other fluffy puppies we had to walk with. After many attempts, and the odd discussion of maybe we would be suited at another club, we met Rob, Kim and Titan and with the help of those three we worked hard every Wednesday and Sunday to at least be able to attend an hour of class without Mad dog rising!!

Then came our first ever test from beginner to grade 1 unfortunately we didn't pass due to mad dog rising in the middle of the test which didn't help the situation so with heavy heart we had to stay down for another go. Did it hold us back? No way! It made us even more determined to succeed and move up classes. This is when we introduced Mad dog to Tom, and with a little bit of TLC we managed to calm Khan down to be able to be in the same park as others. This is when we met our partner in crime Kimmy and Gabriel. Now if you think you can't confuse people when your training just come on over when we are training left is right, right is left and don't get me started on left about turn!!!! Tom is a saint!

We managed to pass into Grade 1 and then also Grade 2, but then came the BIG break - 3 months without training!!!! What were we going to do without Sunday bacon sandwiches and more importantly Khan needed socialising every week otherwise the devil child was going to be alive again! So that's when we started the German Shepherd Torrens Sunday walking club, Well once we got Kimmy and Anthony out of the coffee shop we walked the Torrens every Sunday which was great for all the dogs and more importantly the handlers.

After our break it was back to work and to go from Class 2 to Class 3 was what we were able to achieve just this last week. Proud owner is not the word - I would use chuffed to bits! We couldn't have done it without all the help of everyone from the club and the Torrens walking club. Watch out class 3 and beyond!

From Khan and Perry,
Thank you.

Noah's Crossing Veterinary Clinic Animal First Aid Course

Joanne Chaplin from Noah's Crossing Veterinary Clinic will be holding an Animal First Aid Course for anyone who is interested. Joanne has over 10 years' experience working in emergency and is very well equipped to pass on valuable information to us. The course will be run on one Sunday and will last for approximately 5 hours with an assessment at the end. We hope to have animal first aid kits available for sale at \$25.00 each. The cost will be \$5.00 per head with morning tea and lunch provided. The course will be held at the club rooms.

Expressions of interest are sought as places will be limited. Date is yet to be set but will most likely be after May 2015.

Please contact Jenny De Lucia, PR Officer on email, jjdelucia@bigpond.com to register.

Canteen—Tony Schoemaker

The Canteen is currently running well, and selling produce at a steady rate. I would like to thank all those members that have helped out in the canteen with cooking and/or serving—your help is invaluable, and it makes the running of the canteen that much easier. If anyone would like to help out in the canteen, please don't hesitate to offer—just come and let myself, or Anna know.

Shepherd Shop—Anna Schoemaker

The Shepherd Shop is running smoothly, with sales starting to pick up again after the summer break. New brands of dog food are now coming into the shop—we currently have Nutro, and Optimum will also be available soon. New Dog treats are also in shop and ready to sell. If you have any ideas for items you would like to see in the Shepherd Shop, please come and see me, and we can discuss whether it is possible. Also keep an eye on the Club Website as we will be updating the Shepherd Shop section soon.
