President's Report

John De Lucia

The club held the second scheduled Special General Meeting in September to put forward proposed changes to 'your' club's Constitution but once again the meeting was cancelled due to lack of a quorum. This lack of apathy by members is somewhat disappointing especially as there are those members who are quite vocal in wanting more transparency from the committee.

Congratulations to those members that did well at the Royal Adelaide Show and I am sure that the members who attended enjoyed the day.

There are some major changes planned for our grounds and access to them by Adelaide Shores over the coming months but at this point in time, no firm plans have been developed only an expectation of what is to come. As further developments come we will pass these onto the members.

The AGM is fast approaching and some very important committee positions are up for election especially the obedience section – First Vice Presidency. This position involves taking care of the obedience school and trials. I urge anyone who thinks they can fill this position to consider nominating themselves in order that the obedience school can move forward. Holding a committee position involves a great deal more than simply turning up to a meeting once a month. Every portfolio holder is expected to help and contribute and so it can be very time consuming.

If there are any past obedience instructors willing to give of their time next year or even for the remainder of this year, please come and see me as your help would be greatly appreciated.

John J De.Lucia
President

Obedience News

John De Lucia

The turnout of members participating in the obedience section of the club has been terrific. Stands are coming along well and most dogs are able to interact with each other. As the warmer weather approaches, I thought it might be a good idea to conduct a Sunday morning obedience class at the beach. We could walk down with our dogs and have a 'fun' training session by the water. If you think this would be a good idea, please come and let me know.

A big thank you to all instructors who help out on Sundays and Wednesdays and congratulations to all on graduating.

Secretary's Report

Stephen Collins

The year is fast drawing to a close with our financial year ending on September 30th.

In the last Shepherd News you would have received a membership renewal form, membership fees are due and payable by October 31st 2012.

We are pleased to advise that our Club has signed a Ten (10) year lease and license agreement with Adelaide Shores.

The Club has been advised by Adelaide Shores that our Club ground boundaries will be redefined in the very near future, around the end of November early December. Our grounds will increase in actual area marginally. The northern boundary will be squared up to West Beach Rd., and will extend down to approximately the Western Districts Riding Club grounds. The entrance to the grounds will be revised with a one way road on the northern boundary with parking facilities. The plans as yet have not been finalised, however, the area will be redeveloped with two (2) additional Soccer pitches being developed, one being artificial turf.

The Western Districts Riding Club have not had their lease renewed.

It was very disappointing that very few members were interested in the Future Directions Forum which was held, and also the Special General meeting which was called to amend the constitution.

The Annual General Meeting will be held on Friday 23rd November 2012.

From the Editor...

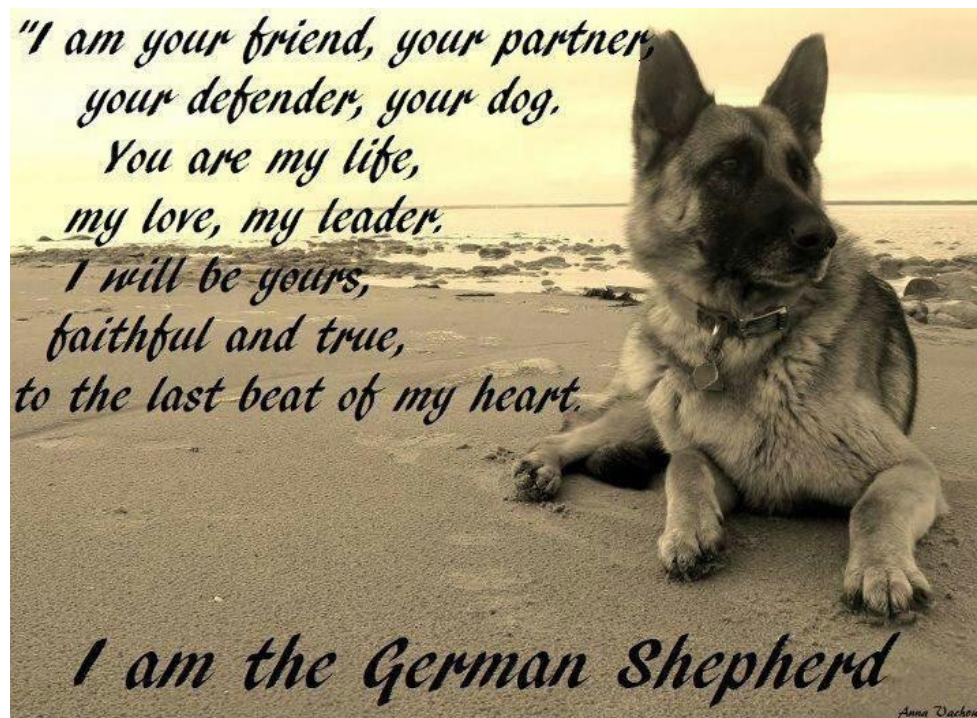

Heidi De Luca

I always enjoy putting together the newsletter and hope you will enjoy this edition. Please bear in mind that this is a collaborative effort and that mistakes can be made. The Broken Hill GSD Club show has been and gone and was as always a relaxing atmosphere. This year SA was lucky enough to come home with the Terry Shaw trophy beating the Vics! Congrats to all those who competed in the Royal Adelaide Show.

The next edition will be our Annual Report, this will be out late October ready for the AGM in November.

If you have any thing to contribute to the Shepherd News please contact me either via tassie60@hotmail.com or on 0412571087
