Grading: VERY PROMISING

1. **DELAFORCE GODFATHER - 17/1/02 - 5100022665** - (*Ch Denargun Browned Off A Z H.Neg x *Astasia Zola A Z) - Breeder: Exh - Exh: Cooke I & M

8 mths Well above medium size, strong, very masculine. Correct set and placement of the ears, very good masking. High wither, the back is firm and straight. The croup is of good length but slightly steep. Very good placement of the shoulder blade, good length of the upper arm, but should also be a little less steep. Correct hindquarter angulation. Stands correct in front. Moves correct front and rear. Very good ground covering gait with powerful hind drive, and free front reach.

7 months. Medium size, strongly pigmented pup, eyes should be a little darker. Stands a little too close at the elbows. Withers should be a little higher even at this stage, back should be a little firmer, well laid slightly short croup. Upper arm should be a little longer, good hind angulation. I would like to see forelegs slightly longer, stands east west in front because of elbow position. Showing normal puppy infirmness of the hocks, should step more correct from the front. Shows good movement.

PUPPY DOG

Grading: VERY PROMISING
