**Dam:** \*Schaeferhund Xeena A Z 3100276041

**Bdr:** Exh

**Exh:** Bohdal Mrs I

17 months. 60cm. Double upper left first premolar. Large, strong, balanced bitch of very good type, with a high wither, firm back of good length, and a well moulded croup. She has good angulation of the forehand with a well developed chest, good underline and very good, powerful hindquarters. Strong but feminine head, where the eye should be darker. She moves slightly close going away, okay towards, and moves very well at all speeds with good reach and drive covering the ground with ease. With two very good females at the head of this class, this female held on because of her very good power in movement and her slightly freer forereach. She presented herself very well throughout the class. A lovely female, congratulations. Graded Very Good.

**58**                    **KAPERVILLE WHITE DIAMOND**                    6100092678                    **DOB:** 11/04/15

**Exh:** Crozier S & Hume Miss L

14 months. 58cm. left & right double upper first premolars. Good size female of upper middle strength with a lovely head and expression and a good dark eye. Good high wither, firm back of very good length, well laid croup of good length. She has good angulation of the forehand, with a lovely underline and very good hindquarters. The overall proportions are very good and she stands out because of her unexaggerated clean lines. She moves correct away and back, and gaits very well with very good drive maintaining her very clean lines at all speeds. On occasion the forereach needed to be slightly freer to match the class winner, however, on another day she could well have taken the class, A lovely female.

**61**                    **JAKLEM BUTTERFLY KISS A Z**                    5100087213                    **DOB:** 27/04/15

13½ months. 59cm. Upper middle size, upper middle strength, balanced, expressive bitch of good type with a good normal wither, firm back of good length, and long but slightly steep croup. She has a long slightly steep upper arm, good underline, and very good hindquarters. She has a nice feminine head, where the eye could be slightly darker, correct coming and going, moves well when settled, maintaining her overline, but the front reach could be a little freer. Graded Very Good.

21 months. 60cm. Dbl L and R upper P1. Large, black and rich gold, very well pigmented female, very much of the desired overall proportions. She has a lovely strong feminine head, a very good wither, firm back of good length into a good croup. Very good angulation of the forehand, with well developed brisket proportions, and very good angulation of the hindquarters. She presents an absolute picture in stance where only the light eye detracts. Moves slightly close away, correct toward, and moves very well at all speeds with a particularly pleasing co-ordinated gait displaying very good reach and excellent drive with minimum visible effort. It was my great pleasure to judge this super young female. Congratulations. Graded Very Good.
