HISTORY OF THE GSDCA AND THE NATIONAL SHOW & TRIAL

The GSDCA commenced activities on the 13th March 1960 as a result of the vision of the founder Mr Roy Brabham, who also became the inaugural President. The GSDCA was the first National single breed council in Australia and the only one for many years. This was at a time when unsterilized GSD's were still prohibited from importation into Australia. The ban was partly lifted in 1972 and fully lifted in 1974. The first National GSD Show & Obedience Trial was conducted by The German Shepherd Dog League of NSW in 1967 on behalf of the GSDCA and soon became an annual event.

The Memorial Plaques presented at the National Show & Trial are named in honour of some of the former officers and notable personalities of the Council.

The **Walter Henry Reimann Memorial Plaque** is presented to the Gold Medal winning Stock Coat Dog. The **Roy Andrew Brabham Memorial Plaque** is presented to the Gold Medal winning Stock Coat Bitch. The **Max Stokes Memorial Plaque** is presented to the Stock Coat Junior Bitch winner. The **David O'Rourke Plaque** is presented to the Best Dual Performance in Show and Trial. The **Rick Richardson Plaque** is presented to the Obedience Gold Medal winning animal. The **Sam Bonifacio Plaque** is presented to the most successful breeder of stock coat animals at the National, based on results of exhibited animals bred by that kennel.

This year sees the introduction of 3 more Memorial Plaques:

The **Hans-Jürgen Neddermeyer Memorial Plaque** presented to the Gold Medal winning Long Stock Coat Dog.

The **Thomas Roger Luxton Memorial Plaque** presented to the Gold Medal winning Long Stock Coat Bitch.

The **James William Henry Rodger Memorial Plaque** presented to the winning Intermediate Stock Coat Bitch.

WELCOME FROM MR VINCE TANTARO PRESIDENT, GSD COUNCIL OF AUSTRALIA

It is indeed with great pleasure and pride, on behalf of the Member Clubs and Executive of the German Shepherd Dog Council of Australia (GSDCA) I welcome you all to Adelaide, South Australia for the 46th GSDCA National German Shepherd Dog Show and Trial.

I would like to welcome our Patron: Ms Dawn Fraser AO MBE who has yet again made herself available to join us at our showcase and premier event for the year. Dawn's support is indeed appreciated and her attending the National adds much to the event. This year her grandson Jackson accompanies her and no doubt she will again freely discuss German Shepherd Dogs with exhibitors and visitors alike.

To Herr Hans-Peter Schweimer and Herr Rainer Mast, our Conformation Judges, welcome and thank you again for accepting our invitation. Both judges are personable, true enthusiasts and noteworthy breeders of the German Shepherd Dog. We are indeed fortunate that both have given up valuable time and made the long journey to Australia once again. This is the first time both our judges will have judged this event. Herr Schweimer has judged in Australia a number of times with his last appointment seeing him judge in Perth and Melbourne in 2011 and he will be judging all LSC Classes and Stock Coat males. Herr Mast has judged twice before in Australia. He will be judging all Stock Coat Bitch classes. We look forward to both judges providing an updated assessment on how the breed has progressed since they were last here.

The primary goal of the Show is to ensure that the German judge's judgements inform and by default educate all of us; both are most experienced and successful breeders in their own right. It is important that their judgements and reasons are well considered by the fraternity and help inform 'where to next' in our breeding programs.

I also welcome what is a most experienced Obedience Judging panel who are well known to all of us: Mrs Dawn Howard will be judging Utility Dog Excellent & Companion Dog, Mrs Jan Brabham will be judging Companion Dog Excellent and Mr Peter Dynan, will be judging at his first National Trial, Utility and Community Companion Dog. The National Trial is integral to the National and makes a point of emphasising that the GSD is not just a thing of beauty. I am heartened by the fact that the competition for Dual Performance (Show & Obedience) has seen a revival with a number of our conformation exhibitors now seeking to win this coveted prize! Noting the path as chosen with regard to the introduction of BH as a prerequisite for Breed survey one can only see this competition grow. The Trial sees some of our best handlers and dogs from all over Australia competing. I will be looking forward to the "Winner of Winners" competition that will occur during the lunch break on Sunday.

We must never forget that the German Shepherd Dog, as a herding dog, is a true companion and utility dog and must be well socialised and trained to a level that allows it to be a well-adjusted family member and able to be taken out without causing angst for the community and/or owners.

I also welcome Kurt Morton who will be judging the Junior Showmanship Classes. Kurt, as a younger member of our fraternity, is well qualified and has been a long time and most experienced handler and

breeder of GSD. Kurt is currently a trainee ANKC group 5 Judge. He is well known to many of us and has been a familiar face handling dogs at our Nationals and member club shows for many years. The Junior Showmanship Classes are a highlight of this show, and again I ask all to watch and give your support: by doing so you will encourage our younger members to continue to be interested in our breed and Clubs. We look forward also to seeing breeders competing in the Breeders Group which this year will again be judged by Robyn Knuckey, GSDCA Judges Committee Chairperson.

The German Shepherd Dog Club of South Australia is hosting this National on behalf of the Council. This Club has a proud history of conducting Nationals. For those of us that have been around a long time, memory of Nationals held in the Barossa Valley, as does the last one held in 2013 bring back great memories! This Club has always been able to conduct a most memorable event. The Club has done much planning and I believe its work will culminate in exhibitors and visitors being very well catered for - John DeLucia (Club President), Stephen Collins (Club Secretary), Judy O'Loughlin (Show Manager), Val Moody (GSDCA Secretary), Show Committee members, GSDCA & GSDCA Executive, Stewards and Stenographers must all be thanked for their work leading up to and over the weekend.

I believe it is important to acknowledge the fact that since the National held in Canberra in 2014 we have seen host clubs make use of expertise that exists in other Clubs and the GSDCA Executive. This willingness to utilise non club members has benefited the event and added a truly 'national' feel to the event.

I would like to acknowledge the Major Sponsor of this event, **ADVANCE**, who again have provided valuable support. In addition to this, we again thank most valued long standing supporters of our breed, Member Clubs, advertisers, breeders and enthusiasts who have made generous donations towards a most impressive trophy table. Your continued support of this event is again appreciated and noted!

I ask that all present take notice of the Official Opening at which the Council will give out a number of awards that are in recognition of GSD service dogs and a number of members who through their commitment and enthusiasm over many years have served the GSD, their Club and/or the Council. On a sad note, this year sees the introduction of a number of Memorial Plaques in recognition of sustained lifelong service to the breed, the Council and Member Clubs by the late but never forgotten Jürgen Neddermeyer, Tom Luxton & James Rodger. I urge you all to read the short resumes of past members who are now remembered annually with GSDCA Memorial Plaques awarded as listed.

The National has a long history and tradition which dates back to 1967. The early years event was not held annually, however, as interest in the Council increased, coupled with the lifting of the import ban, and as the GSD became even more popular, the National, which was unlike any other show became an annual event which lead the way for other Breed councils to conduct similar events.

The GSDCA National GSD Show & Trial is the catalyst for the success of the Council. It does provide the opportunity for breeders and breed enthusiasts to meet on an annual basis. The camaraderie developed at this event continues to be the essential element that has made it possible for the GSDCA to use this event to introduce breed improvement schemes and innovation far ahead of any other breed organisation in Australia.

The true aim of the National is to attract as many exhibitors as possible with the net effect being we have the maximum number of GSD's being exhibited and competing in what is the largest single breed event in Southeast Asia/Oceania. It is only with a large entry, can we ascertain what real progress has been made with regard to breed development over the last year. It must be noted that we have seen numbers

gradually decline at events as conducted by Member Clubs. We must be mindful that work place practises have changed, members have far more shows in their home state, more options with regard to leisure activities, coupled with the increased cost of exhibiting, influence whether or not our members compete at interstate shows; hence if there is only one interstate show you can only afford to go to, then please make it the National. From a pure dog breeding perspective and fact we still have in relative terms a large entry, the major highlight of this event is the Sires Progeny parade. It allows the GSDCA National Breed Commission Executive (Melanie Groth, Robyn Knuckey and I) to provide comment and GSDCA Breed Surveyors, Judges, Breeders and enthusiasts to view the state at this point in time.

I wish you all a weekend full of friendship, goodwill and sportsmanship. This will ensure the GSDCA National GSD Show & Trial continues to be the 'must go to' GSD event in the future.

I trust that you will all enjoy the weekend with friendship, goodwill and sporting behaviour. It is only by celebrating others success can we truly enjoy our own!

HERR HANS-PETER SCHWEIMER SV (GMY)

Dear German Shepherd Dog friends in Australia,

After I had been able to address you in 2004 and 2013, I look forward again to the judges' work in your beautiful Australia. So that you can learn more about me, I describe to you once my career in the association for German Shepherd Dogs in a short form.

In 1976 I became a member of the Association for German Shepherd Dogs (SV). I then had a dog about 1 year old, which I brought with me from a holiday from Denmark. With this dog I started in the SV and made only normal dog sport in the performance range for about 8 years. I didn't have much in mind at the time with breeding and showing. This changed abruptly when I bought a new male puppy in 1984.

I was fortunate enough to acquire a puppy that significantly influenced my career in the SV. First of all, this new dog was just a nice puppy to me. With increasing age, this dog became more and more beautiful and it became increasingly more and more evident that this dog could probably become very "big". He was the dog "Henning of Noort". He was evaluated at the Sieger Show in Hamburg in 1986 with SG3 in the JHKL and in the following years at the Sieger shows in 1987, 1988 and 1989 in the GHKL males he was 3 times V1 under the President Hermann Martin. Henning also reached VA in the countries of Denmark and Austria. He left a total of 1,064 descendants.

In 1988 I started to become an active SV breeder. My kennel "vom Nordlandzwinger" was registered in SV, but at the beginning only had small successes. The first self-bred dog with very good success was the female "Casha vom Nordlandzwinger", who gained a V15 at the Sieger show in 1997. The most famous dogs from my kennel were the males "Quiro" and "Quando vom Nordlandzwinger", Quando placing V10 at the 2000 Sieger show in Bremen. I achieved further good results with the males "Rudi van Noort" and "Quiro aus der neuen Hauffstraße", who was placed V13 in 1998 and V5 in 1999 at the Sieger shows.

As a public official in our national group (Hamburg/Schleswig-Holstein) I have been active since 1993. I was first called STV. Elected Chairman. During this time I also started the apprenticeship as a SV-breed judge and was appointed as a SV-breed judge three years later after successfully completing my apprenticeship in 1996. I was then elected Chairman of our national group in 1997. Since 2001 I have been confirmed as SV-Körmeister. I have so far judged in all continents and have 4 times judged Breed shows: 2006 JHKL-Females Oberhausen, 2008 GHKL-Females (TSB-decrease) Aachen, 2015 GHKL-Males (TSB-decrease) Nuremberg & 2016 JHKL-Females Nuremberg.

I invite you to come and see my homepage www.nordlandzwinger.de. At homepage www.svlq1.de you can find out about SV-country group 1. In addition to my many other tasks, I am the webmaster and therefore responsible for both parts of the Internet presence. Many greetings to you all

STOCK COAT BITCHES

HERR RAINER MAST SV (GMY)

Herr Rainer Mast has been a member of the SV since 1974. From 1991 to 2004 he served on the board of the Württemberg State group.

In the year 2002 he was appointed SV-breeding judge. In August 2008 the appointment was made to SV-Körmeister.

In the year 1990, Herr Mast has re-registered the kennel name "vom Ermingerweg", which has been registered with SV since 1949. Herr Mast has judged on all continents in over 45 different WUSV countries. Among them were over 25 Sieger Shows.

In the year 2013 Rainer Mast was transferred by the SV Board of directors to the judging of the Junior female class on the Bundessieger Breed Show in Kassel.

GSDCA JUNIOR SHOWMANSHIP CLASSES

MR KURT MORTON (NSW)

Kurt Morton was born into the German Shepherd Dog scene, where his parents began breeding in the 1980's. Collectively, he and his parents breed under the prefix of 'Vladimir' and are involved in breeding Stock Coat and Long Stock Coat German Shepherds.

Kurt's involvement started out at a young age participating in junior showmanship across all states of Australia in both all breeds and specialist arenas. Kurt has successfully handled across multiple groups and winning multiple Best In Shows.

Kurt has achieved many accolades in the 'dog scene', most notably lead in hand with "Annie." In 2005, Australian Supreme Champion Vladimir Anarchy E.T. "Annie" was born. To date, one of only a handful of Supreme titled German Shepherds to be a Best In Show winner in both All breeds and Specialty arenas. Other notable wins include a National class win, the 2011 QLD Siegerin & 2012 NSW Siegerin as well as a Sydney Royal Best In Group 3rd winner (still the highest placing a GSD has received in 15 years). Annie also produced 4 individual GSD National winners (for 6 individual wins & 4 Res CC) from 4 different litters, producing a total of 14 individual specialist GSD class winners and two medal winners.

In 2013, team Vladimir took out the GSDCA Breeders team at the National in Adelaide. An amazing achievement for such a fastidious kennel.

Currently, Kurt holds the position of GSDL (NSW) Youth Representative and is a current trainee group 5 Working dog conformation judge.

OBEDIENCE JUDGES

UTILITY DOG EXCELLENT & COMPANION DOG

MRS DAWN HOWARD (VIC)

From my earliest memories, I have been educated by my doggy friends. I have been trained by many German Shepherd Dogs. My family and I have competed in Conformation, Obedience, Tracking, Track and Search, Agility, Jumping, Games, Herding, Endurance and just playing with our dogs. Between us we have managed a few titles here and there. Most importantly we have had lots of fun on the way. I am an Obedience, Agility, Jumping, Tracking, Track and Search, Endurance and Rally-Obedience Judge, plus entry level retrieving. I have been privileged to judge extensively around Australia and in Asia and have made many good friends on the way.

My introduction to the dog world occurred when, with my first pay packet in hand, I bought my very own first dog. The breeder said the one I picked from the litter just had to be shown, and the bait was taken. Soon after I turned up at a dog club and the first person I met was Fran Farley, then (Osmotherly). We won't bother to mention how long ago that was, but it was the start of a very long friendship. My husband, Peter and I are active competitors, and I have trialled multiple GSDs in obedience, four in UD and in UDX with my old German Shepherd girl Vixen, who lived and worked until she was over 13 years old.

Vixen had titles in 9 disciplines including Obedience, Agility, Jumping, Games, Herding, Tracking, Track and Search, Rally and Endurance. She won the Silver medal at a Sydney National. She also worked in a paid position for the Government, teaching primary school children how to live safely with dogs. Vixen's progeny includes, three Dual Champions(T) TS Grand Chs and her grandchildren are still doing very well. We have her Great granddaughter, Venice entered in the Open class this weekend.

As very small breeders, Peter and I are committed to the development of the total dog. Construction, soundness, temperament and working ability are equally important and we always breed within GSDCA guidelines.

It is a privilege to be asked to judge the GSDCA National, an event which is very important to me. Once a year we have a chance to bring the best in our country together to evaluate the attributes of our breed. Hence, I am well aware of the importance of Nationals being very special events that all specialist breed people aspire to participate in successfully.

Doing well at a "National" is what dreams are made of. A place on the pegs, an excellent grading or a pass in obedience at a National is really special.

If I am judging you, just remember, any little mistake you make, I have made as well. I am also a trialler. Please try not to let nerves get the better of you. You can rest assured, that I seriously want you to do your personal best.

Good luck to all competitors. May there be many qualifiers and PBs for the teams.

Remember in Obedience, every dog can potentially qualify and that is what really matters.

(The photo is of Vixen winning the UDX class at the Royal Melbourne Show, she was nearly 12 years old at the time).

COMPANION DOG EXCELLENT

MRS JAN BRABHAM (SA)

German Shepherd dogs have played an important role in my life. My parents had a German Shepherd, "Pal", before I was born and I met my late husband, Roy, when he joined the GSDC of SA! When "Pal" died we went to a dog show and I won my first child handler prize. My parents gave me the choice of going to a private college or having a German Shepherd puppy – they couldn't afford both. Of course I chose the puppy! When they joined the GSD Club, as the dog was in my name, although a child, I also became a full member – no junior memberships back then! I virtually grew up involved in the German Shepherd Club. With my parents, we became heavily involved in all aspects of the Club – my Mum as Secretary, and my Dad was Vice-President for many years. We successfully bred many dogs to become show and obedience Champions, including many Specialist Show Best Exhibit winners, under our "Palomine" Kennel prefix. Later I was a partner with Roy in "Balmead Kennels". The "Balmead Shield", awarded annually to the winner of the obedience team competition, was donated by Roy.

When Roy wanted to form the National German Shepherd Dog Council of Australia, I worked with him on that difficult project, and later assisted with the running of the First National Show and Trial in Sydney in 1967 and the original "National Review". I was officially Secretary of the Council for 5 years, at first under my maiden name of "Atkinson", until we both resigned, shortly before Roy's death.

I became a Panel Judge for Group 5 and also a full Obedience Panel Judge in 1964. At that time I was the youngest Panel Judge, and first female Obedience Judge in SA. Although I have judged both Obedience and Conformation in most States of Australia, acceptance of appointments has been restricted because of family and work commitments. I have had my Specialist German Shepherd Dog Licence for both Conformation and Obedience for several years and I am also an Examiner/Assessor for Group 5. I still enjoy being actively involved exhibiting dogs in conformation.

My love of the German Shepherd Dog and the improvement and future of the breed will always be important to me. The GSDCA has come such a long way from the humble beginnings, over 50 years ago, with many people giving so much of their time for the betterment of the breed. Let us hope that with people interested in the welfare of the breed, and not politics, that the Council will continue to grow and promote the German Shepherd breed for many more years.

UTILITY DOG & COMMUNITY COMPANION DOG

MR PETER DYNAN (SA)

Peter has been an ANKC licensed obedience judge since 1984. He has judged all over Australia and New Zealand and is a highly regarded and sought after judge.

The first dog he trained was a Doberman named Baron which he trained at SA Obedience Dog Club many years ago and he has only recently lost his "Honey" a Rhodesian Ridgeback. Peter has a close relationship with the GSDC of SA and feels privileged to be invited to judge at our prestigious National Show & Trial.

- There will be security on the grounds overnight, however, the GSDC of SA Inc will **NOT** be held responsible for any loss or damage to exhibitor's property.

AFTER HOURS VETERINARY SERVICES

In the unfortunate event that you require a Veterinarian after hours or at any time over the duration of your stay, the Adelaide Animal Emergency Centre is open 24/7 and is at 119 Anzac Highway, KURRALTA PARK SA 5037, telephone 08 8371 0333.

During the show we have two Veterinary doctors “on the grounds” that can assist. If their services are required an announcement can be made or ask at the office. They are:

Dr Candy Baker – Veterinarian from WAVES (WA Veterinary Emergency and Specialty) and
Dr Lyndsay Smith – Veterinarian from Familypet Vet McLaren Vale SA.

Candy is well known to us all as a GSD Breeder, handler and owner. Lyndsay is a breeder and owner of Australian Shepherds and has agreed to assist us over the course of the show.

We would like to take this opportunity to thank both ladies for their assistance and hopefully it won't be required.

THE MAX STOKES MEMORIAL PLAQUE

Awarded to 1st Place Stock Coat Junior Bitch

In memory of Max Stokes, his widow Mrs Fay Stokes submitted the following in recognition of his contributions.

Max always loved German Shepherds and when given an unregistered bitch he immediately talked the breeders into registering her and from there he trained her to her CD title. Although he tried showing her in the conformation ring he soon realised that while she was a great dog she was not a show prospect, and although she lived with us until she passed at 13 years of age, he never bred with her.

He then saw a bitch at training that he fell in love with and ordered a male puppy from her first litter, she was a very dark bitch and I personally thought she was the ugliest thing I had seen, but he loved her. Max showed this male puppy at the Newcastle German Shepherd Show where he won Baby In Show and that dog went on to win many In Show awards – he trained him to CDX and he won Best In Show conformation and also Winner of Winners at a very large Obedience Trial. This is the dog pictured in the National logo and known as “the jumping dog”. Max then purchased a bitch puppy from the same dam as the dog – this bitch he purchased from incidentally won the Bronze Medal at the 1st National Show. Max then began breeding under the prefix “Ambala” and went on to breed many, many Excellent, Excellent Merit, AOC, National class winners, National Gold & Bronze Medal winners and National Breeder’s Groups. Max was also part of a very successful GSD League Obedience Team who were unbeaten in most trials for many years.

Max, of course, had joined the GSD League in 1962 and became Vice President and President for many, many years. During this time he became involved in National Council and was part of the committee who organised and ran the 1st National Show.

Max, during his time on Council over many years, was a Vice President then that position changed to Chairman Judges Committee, Breed Commission Chairman and ending with President of Council until just prior to his passing. National Council then consisted of Jürgen Neddermeyer, Louis Donald and Max and these 3 men were instrumental in introducing the many, very successful breed schemes we have in place today.

Max loved talking and mixing with everyone and had the remarkable ability of remembering everyone’s name – he never considered himself to be unapproachable and enjoyed helping people whenever he could. He was a Group 5, 6 & 7 judge and judged all over Australia, New Zealand and Asia and was to judge in China when he became ill.

Max loved his German Shepherds and really enjoyed judging the bitch classes and I know he would be humbled by having this Junior Bitch (Stock Coat) Memorial Plaque awarded in recognition of his contribution to the German Shepherd Dog.

THE JAMES WILLIAM HENRY RODGER MEMORIAL PLAQUE

Awarded to 1st Place Stock Coat Intermediate Bitch

James' love of dogs, particularly the GSD, started in 1971. James and Louisa bought their first GSD and joined the GSDCV and within a short time, both became Club Obedience Instructors.

His commitment and dedication to his favoured breed and breed club was too vast to summarise here, however he was the catalyst for the GSDCV establishing Branch offices throughout Victoria, and he also compiled, edited, wrote and produced two definitive books on the history of German Shepherd Dogs in Australia.

Whilst heavily involved in the administration of Council, GSDCV and other canine matters, he was very much hands on with the breed. Together with Louisa they established Rodatt Kennels and bred quality GSD's from a very small breeding program and supported and promoted all GSDCA breed improvement schemes. His idealism, passion for breeding and showing led him to gain ANKC GSD Judges licence in 1990, GSDCA Specialist Judge and GSDCA Breed Surveyor status.

He made significant contributions to the wider canine community. His record of achievement and business acumen saw him as a trusted and valued person who was dedicated to the betterment of canine affairs: Founding Secretary/ Treasurer of the Canine Research Foundation, advocate for supporting research into breed health, resulting in breeders and consumers better served.

He was also a trustee of the Canine Museum Foundation whose work has seen Australia's only Canine Museum established at KCC Park, Victoria.

James was an honourable, forthright, passionate, and respected member of our fraternity.

His lifelong dedication and notable work for the GSD, GSDCV, GSDCA and wider canine community in Australia will not be forgotten and is now etched in our history.

DUAL EXHIBITS (Show & Obedience Trial)

THE DAVID O'ROURKE MEMORIAL PLAQUE

(awarded to the highest placed dog or bitch competing in the Show & Trial)

Sponsored by

The German Shepherd Dog League of New South Wales

In memory of David O'Rourke, this is an extract from the Golden Jubilee edition written by Dr Karen Hedberg in recognition of his contribution.

David, with his wife Sandy, arrived in Australia as newlyweds in February, 1968. They immediately purchased a German Shepherd Dog to replace their much-loved dog they had to leave behind in England. Thus began a lifelong association with the German Shepherd Dog League.

Buddy was trained to CD and shown albeit without a great deal of success but the bug had bitten. Buddy was joined by Tanaba Kuno, and later Tanaba Ophelia. Their association with Tom Briggs and George Bowen of Tanaba Kennels resulted in them becoming partners in the prefix and later taking over the Tanaba prefix when Tom and George retired. It was during this partnership they first imported dogs, two bitches from New Zealand, Xodus of High Clear and Valdishahn Dechsel.

Karen Hedberg purchased her first male from David and Sandy in 1976, an Ingo son Tanaba Elkk. Shortly after, Karen, David & Sandy went into partnership under the Pendragan prefix. Under the Pendragan prefix they bred a number of breed and obedience champions, best in show winners and many much loved companions.

David obtained his Novice Obedience license in 1972 and later gained his Open, Utility, Agility and ET licenses. In 1979 he obtained his group 5 license and judged all over Australia and New Zealand and Asia where he made many friends of long standing. David went on to become a Breed Surveyor.

David held numerous positions in the League and it's Branches including President and was on a number of Canine Control Committees. He was the first GSDCA Obedience Subcommittee Chairman where he introduced the Obedience Structural Assessment and designed the Obedience Excellent Medallion.

David is remembered in many facets of the dog world for his willingness to help someone out, be it a club in need of judges at the last minute, someone with a training problem or just a few words to put someone at ease at a show or trial. A most fitting tribute to David is the Dual Performance Trophy, which carries his name.

THE THOMAS ROGER LUXTON MEMORIAL PLAQUE

Awarded to 1st Place Long Stock Coat Open Bitch

Tom Luxton was an integral member of the German Shepherd Dog fraternity. His grandfather, Mr. H D Luxton was the first President of the GSDC of Victoria, when the Club formed in 1929, 88 years ago! Tom himself was a club member for the past 60 years. He was a Club Obedience Instructor for more than 10 years who willingly assisting fellow members during times of hardship and or difficulties. The GSDCV recognised Tom's service and significant contribution to the breed and Club, awarded him Life Membership and was its immediate past Club

Patron.

Tom's role in the lifting of the infamous import ban on German Shepherds was pivotal. He worked on producing an independent and objective scientific opinion as to the attributes and virtues of the German Shepherd Dog. This resulted in a report that saw the politicians of the day, who upon considering its contents saw the government of the day lift the ban, for a trial period of one year and then permanently a year later.

Tom created and founded Kamarn Breeders Foundation in the early 1970's. The mission was to breed German Shepherd puppies under the Kamarn prefix for the specific purpose of going to work in a variety of community services which included the Police, Customs, Armed Forces and Guide Dogs for the Blind. Karman's success helped dispel the community's prejudice against our breed. He also headed and contributed much to a committee that saw the implementation of Hip Dysplasia screening scheme in 1978. An incredible achievement at that time!

Tom was a most respected member of our fraternity.

He will be missed but never forgotten.

THE HANS-JÜRGEN NEDDERMEYER MEMORIAL PLAQUE

Awarded to 1st Place Long Stock Coat Open Dog

Jürgen, his passion was his love of the German Shepherd Dog!

This passion saw him first involved with the German Shepherd Dog Council of Australia in 1967. In 1969, he became its main stay due to the untimely death of its founder the late Roy Brabham. Jürgen, together with a growing group of idealists, commenced to be active with regards to the lifting of the import ban on German Shepherd Dogs. At that time he persuaded Louis Donald, a young, successful breeder and exhibitor of GSD's to become President. Jürgen played a significant role in driving and achieving major change in an hostile anti GSD environment where Kennel Club regulations made it difficult to progress matters. Once the import ban was lifted, his passion and love for the breed saw him import a number of male dogs from Germany. His kennel, Adelora, as shared with Joylene, Martin, Lyle and the late Jan Strahan is a most successful kennel. This passion for showing and breeding saw him also join the peer group of our organisation as a most respected GSDCA Judge and Breed Surveyor.

Jürgen's long life commitment to the GSD, GSDCA and GSDCSA cannot be understated. He was a friend to many in our fraternity and did not ask much of anyone. He was a true and a sincere man and will be missed by all of us.

THE ROY BRABHAM MEMORIAL PLAQUE

Awarded to 1st Place Stock Coat Open Bitch

In memory of Roy Brabham, his widow Mrs Jan Brabham submitted the following in recognition of his contributions.

Roy Andrew Brabham was the founder of the German Shepherd Dog Council of Australia Inc., and it's first President, retaining this office until just prior to his death. He was a successful breeder and exhibitor of the breed and also a panel Judge for German Shepherds. Roy purchased his first German Shepherd at 25 years of age and joined the German Shepherd Dog Club of SA. He quickly became involved in the administration of the Club, first as Secretary, then President and when appointed to the Council of the Canine Association of South Australia (now Dogs SA) and the Royal Agricultural Society of South Australia Council, he wasn't allowed to hold a position on a Club, so he was appointed Patron, a position he held until his death. During this period, he introduced many innovations to the Club, including publication of the first Club monthly newsletter in Australia, incorporation of the Club and many others. As a member of Council he was involved in the take-over of obedience training by the Association and Chairman of the Obedience Sub-Committee for several years. He also presented SA with delegates from NSW and Victoria to nationalise obedience trials in Australia.

During the 1950's there was a ban on importing German Shepherd Dogs into Australia, plus they were banned in many rural areas and only desexed dogs were allowed in others, including the whole of Western Australia. It was Roy's vision to form a National Association of German Shepherd Dog owners and breeders to fight the prejudice against the breed, lift the many bans on the breed, including importation, and to improve the temperament and conformation of the breed generally. As a senior partner in a Architectural firm, Roy's interstate and overseas trips for business were used to meet with German Shepherd breeders and Clubs in all States and convince them to form a national body for the benefit of the breed. In this era, travel was difficult and expensive and there were no national dog associations. Despite many obstacles, eventually he gathered support from all clubs and the first meeting to form the National Council was held in March 1960.

Roy worked tirelessly for the breed. He published the first National Review, worked towards the lifting of the importation and other bans and, as he was living in Sydney, was responsible for contracting a German SV Judge and organising the first National German Shepherd Dog Show and Trial, in conjunction with the German Shepherd Dog League, held in Sydney in March 1967 and this weekend we celebrate 51 years since that event. His further involvement in the breed was sadly cut short by his death in 1970 at age 40 years.

WINNER OF WINNERS

THE RICK RICHARDSON MEMORIAL PLAQUE

Sponsored by

German Shepherd Dog Association of WA

(awarded to the Winner of Winners in addition to the First Place Plaque)

In memory of Rick Richardson, his widow Mrs Honey Gross-Richardson has submitted the following in recognition of his contributions.

J.A. (Rick) Richardson BEM CD, Life Member of the GSDA of WA and awarded the GSDCA Service Medal for a lifetime's devotion to the breed.

Ex-British Army, Rick joined the GSDCA of WA in 1973, became an Obedience Judge in 1976 and later a Conformation Judge of Working Dogs, with a decade of GSDA specialist show events, and Group 6 judging. He had served the GSDA of WA as Tattooist for 25 years and Hereditary Diseases, HD and ED Scheme Administrator. Rick was the President of the GSDA of WA for 18 years, a CAWA (now Dogs West) Governing Councillor for six years, and was a member of the Dog Act Review Committee for CAWA.

He enjoyed judging MBE and National events, Agility, Tracking, the ET, Track and Search Dog Trials and DWD competitions, served on Tracking and/or Obedience Judges' Training and Examining Panel for CAWA, Singapore and Malaysia.

Promoting breed improvement, character building and skilful training and with wife Honey, breeder of 50 GSDs with the A and/or Z stamp, 30 Breed Surveyed and/or ET and Performance titled dogs with multiple Excellent awards, Rick was often heard to say "if you have a show dog and he cannot do Obedience, then you enjoy only half a dog!" And: if your show quality Obedience Dog is not exhibited in shows, then you only have half a dog!

Instrumental in the foundation of several Breed, Obedience and Tracking Clubs, his motto was; Breed only with the best, but love and train the rest! He espoused Positive Reinforcement Training, counselling and cheering on anyone who spent time training, striving for his personal best. His spirit will never leave us, and there is the feeling he will meet our dogs at the Rainbow Bridge.

THE WALTER HENRY REIMANN MEMORIAL PLAQUE

Awarded to 1st Place Stock Coat Open Dog

In memory of Walter Reimann, James Rodger submitted the following in recognition of his contributions.

Walter was a proud Victorian who served the GSDCA very well indeed.

His contribution was significant in that he, out of his own pocket, funded and restarted the GSDCA's National Review in 1974.

This was a small A5 booklet containing the critiques and photographs of the major placegetters at the 3rd National held in Dandenong,

Victoria, as well as some advertising which preceded the Quarterly National Review. He continued in this position until his untimely death in 1981.

The original Review started by the inaugural GSDCA President, Mr Roy Brabham, had to be discontinued in the late 1960's due to costs and the fact that Roy, as Editor, was gravely ill and subsequently passed away.

Waler was able to develop the National Review into an excellent publication, released on a six monthly basis and containing the critiques and photographs from the National and other major shows around Australia.

Mr Louis Donald wrote, in the 1990 "Condensed History of the GSD in Australia", quote... *"Walter's contribution has been a great one and for this he will always be remembered. Remembered with pride, respect and admiration"*.

THE SAM BONIFACIO STOCK COAT BREEDERS MEMORIAL PLAQUE

Sponsored by

German Shepherd Dog Council of Australia

Awarded to the most successful Stock Coat Kennel In Show & Trial

Written by Fran Farley this tribute is in recognition of his contributions.

In memory of Sam, who passed away as a relatively young man, in 1991. This trophy is to perpetuate his legacy, as a breeder and specialist Judge of the German Shepherd Dog in Australia.

This trophy was originally awarded at the Main Breed Show to the most successful overall breeder at that show.

Sam was a "larger than life" flamboyant, exuberant and articulate personality with a passion for our breed. His legacy was immense and in particular, to those breeders who strive to attain, as near as possible, the correct type of German Shepherd within their kennel. Sam's innate understanding, and feeling for those animals which could propagate a lineage, was passed on to all who truly listened and were

educated by his immense knowledge.

An advocate of unquestionably sound character, his kennel Vinberg produced a record number of Excellent graded progeny, in particular, via Ch Dunmonaidh Junker NZ, the fabulous grey, who Sam 'spotted' well prior to that dog subsequently gaining three gold medals at Australian National Shows in 1981, 1982 and 1983. Sam leased and then subsequently purchased outright, Baccara Icecapade, solely to utilize Junker, which resulted in top quality for his Vinberg prefix.

A teacher at heart, Sam was Chairman of the Judges Committee for National Council 1989-1991 and took that position to a new level – as a professional and highly regarded portfolio. His prolific writings on our breed were recognised and highly regarded both locally and overseas. Sam was the 'brains' behind the first importation of frozen semen into Australia – along with a small group of fanciers who backed that venture in an effort to improve the bloodline base in this country, without actually importing dogs.

We honour Sam's contribution to our beloved breed, the German Shepherd Dog, may future winners of the "Sammy" award, be very proud of their achievement.

Jenky is without doubt an outstanding producer

Five out of nine progeny exhibited at the Sieger show in 2016 were in the top fifty in each class from just 32 studs; results many VA animals have not been able to produce from far greater numbers. He has Excellent rated progeny in Germany and his first young crop here in Australia are beginning to make their mark. An unexaggerated dog that does not carry Vegas, is 63.5 cm, with an outstanding character.

Worth considering for a breeding program? We will leave it for you to decide.
