

# SHEPHERD NEWS

OFFICIAL PUBLICATION OF  
THE GERMAN SHEPHERD DOG CLUB OF SA INC.

ANNUAL REPORT 2019

# **PRESIDENT'S REPORT**

## **JOHN DELUCIA**

I once again have great pleasure in presenting to the membership, the GSDC of SA annual report for 2019.

I would like to firstly thank my family for all the help and support they gave me this year. I would like to thank the Committee for all their help and assistance along with other club and non-club members who have assisted either myself or the club, throughout the year.

Sadly, we again saw the passing of some long standing and well respected members and friends of the German Shepherd Dog fraternity and our thoughts are with their families.

Unfortunately, we did not receive our usual sponsorship from Advance, which has certainly contributed to our overall financial position. However, we have approached Royal Canin, who have agreed to provided sponsorship to our club. As you will have noticed, the Shepherd Shop has stocked the Royal Canin brand of dry food for a few months now and the amount that members are purchasing from the club is terrific. The prices are very competitive and I believe, are not matched in Adelaide.

Each Committee member has submitted their own detailed summation of their portfolios so I will only briefly mention each of them in my report.

## **TREASURER**

Peter Flynn has once again looked after the Club's finances and has put his usual flair into this position. Peter has not only attended to the role of Treasurer, but has also helped at club functions and is a true team player. Peter has presented to the membership a comprehensive financial statement and report for the members. Thank you, Peter.

## **HON. SECRETARY**

Stephen Collins has been a great help and support to me throughout the year which I am grateful for. Stephen holds a very time consuming position and has also managed the Shepherd Shop which has added to his work load. Stephen has excelled in the Shepherd Shop making a good profit as can be seen from the financial statement, while keeping expenses at a minimum. Thank you, Stephen.

# **PRESIDENT'S REPORT CONTINUED**

## **JOHN DELUCIA**

### **FIRST VICE PRESIDENT**

Jenny De Lucia held this position again this year which involved obedience and agility trials. Jenny has also ensured this portfolio returned a profit and I know her role was greatly assisted by the tireless effort of our Club Instructors who should all be congratulated for their efforts in ensuring that our club once again, retained the Balmead Shield. Jenny conducted an Instructor's Course with three new instructors eagerly preparing themselves for this role. Thank you, Jenny.

### **SECOND VICE PRESIDENT**

Christine Collins once again has done a sterling job in this position together with her sub-committee and have ensured all events ran smoothly with Breed Surveys, Shows, HD & ED Scheme and also Puppy Days which are always well received with another being planned for early in 2020. Thank you, Christine.

### **COMMUNICATIONS**

Andrew O'Loughlin took on this position which involved the Shepherd News Magazine, club Web Page and Facebook page. Andrew ensured that the Shepherd News was informative and well-presented and ensured that members were kept up to date via social media. I know that Andrew has been looking at a new format for the Shepherd News which I look forward to. Thank you, Andrew.

### **CANTEEN**

From the beginning of the year, the Canteen was run by Committee members and volunteers which included, Kim Richards, until Natasha Pilgrim took over the role at the start of July. To say that, Tash has done a fantastic job is an understatement. Tash has ensured that stock purchases have been frugal and has tried to come up with fresh ideas in food available again, at minimal cost to the club and yet has returned a terrific profit as can be seen from the financial statement which speaks for itself. Well done, Tash and thank you also to, Kim.

### **TROPHY COORDINATOR/SHOW MANAGER**

I have said in many reports before and will say again, the club would be lost without Judy O'Loughlin who, I am sure, is a workaholic with true team spirit and doing it for the club. Judy always lends a hand wherever needed and I look forward to once again working with her next year. Thank you, Judy.

# **PRESIDENT'S REPORT**

**JOHN DELUCIA**

## **INFRASTRUCTURE**

Joe Seidl has once again held this portfolio and has carried out several maintenance jobs around the club which are appreciated. Joe has also worked in the Canteen at almost all functions which has been a great help and is also appreciated. Thank you, Joe.

## **CATERING**

The club was delighted to welcome back a familiar face with Kerry Kennedy agreeing to once again attend to the club's catering this year. Kerry certainly has a way with presenting fantastic food and did so on a tight budget and managed to return a tidy profit to the club as can be seen from the financial report and which is a fantastic effort on her part. I also thank Kerry's helpers, Kim Richards and Jenny Hicks, who supported Kerry and in turn the club. Thank you, Kerry.

In closing, I wish to say a big, 'thank you' to all our obedience and show instructors for their time and efforts.

A BIG, 'thank you' to Adele for ensuring that our club rooms are always clean and tidy. Despite Adele not being well, she still took time out to attend club and give her time which is very much appreciated.

Thank you to Royal Canin for coming on board as a product sponsor.

Finally, thank you, to those who assisted the club in any way, it is very much appreciated and you all make a difference.

The Committee is looking at putting together a Code of Conduct for members which we can hopefully have ready for by February 2020.

Still a topic of discussion and some confusion is the ongoing Harmonisation Program. As a club, we have to make some decisions in order to move forward so your feedback and discussion is sought at this year's AGM.

I wish all members, their families and dogs, a very Merry Christmas and Safe and Prosperous New Year.

**John J. De Lucia**

# **SECRETARIAL REPORT**

## **STEPHEN COLLINS**

Firstly congratulations to ALL members who successfully trained their companion animal to the standard they aspired to achieve. I would like to congratulate and thank the Instructors for all of their work and commitment for the Club. Without these dedicated members it would be difficult to maintain the high standard of training available.

The club hosted the Bull Terrier club show and also the Rottweiler National Show and Trial, these were very beneficial financially to the Club and as a committee we continue to work to fully utilize the Club's assets.

It is pleasing to advise that the Club has again won the Balmead Shield, Three (3) years in succession, congratulations to the team members and trainers for a well deserved win.

The standard number of exhibitions, trials and dog activity events were held throughout the year, most were well supported by the members, exhibitors and competitors from other Clubs.

It is disappointing to report that our membership has fallen again this year, predominately due to the lack of litters being bred, Thirty Two (32) litters to June compared with Forty Seven (47) litters for the same period in 2018.

Please refer to the graph included after this report.

Many thanks must go to the Instructors who take classes, both Obedience and Conformation on training days.

To the Breeders who support the Club and encourage puppy buyers to join the Club many thanks and keep up the good work. Breeders are reminded that discount vouchers for Membership are available from the Secretary for Puppy buyers.

# **SECRETARIAL REPORT CONTINUED**

## **STEPHEN COLLINS**

Many thanks to my wife for her continued support throughout the year.

The upcoming Annual General Meeting will be held on Friday November 29<sup>th</sup> commencing at 8.00pm.

The committee believe that due to the strong financial position of the Club that membership fees will remain the same for the year 2020/21.

There are several members that have been nominated for Life Membership, and it is important that members have a vote.

### **National Show and Trial 2022**

This will be the 50<sup>th</sup> National Show and Trial and planning for this event has already commenced. The GSDCA has provided a list of Judges from which we will select Two (2).

Sponsors are already being sourced with hopefully Royal Canin being the major sponsor.

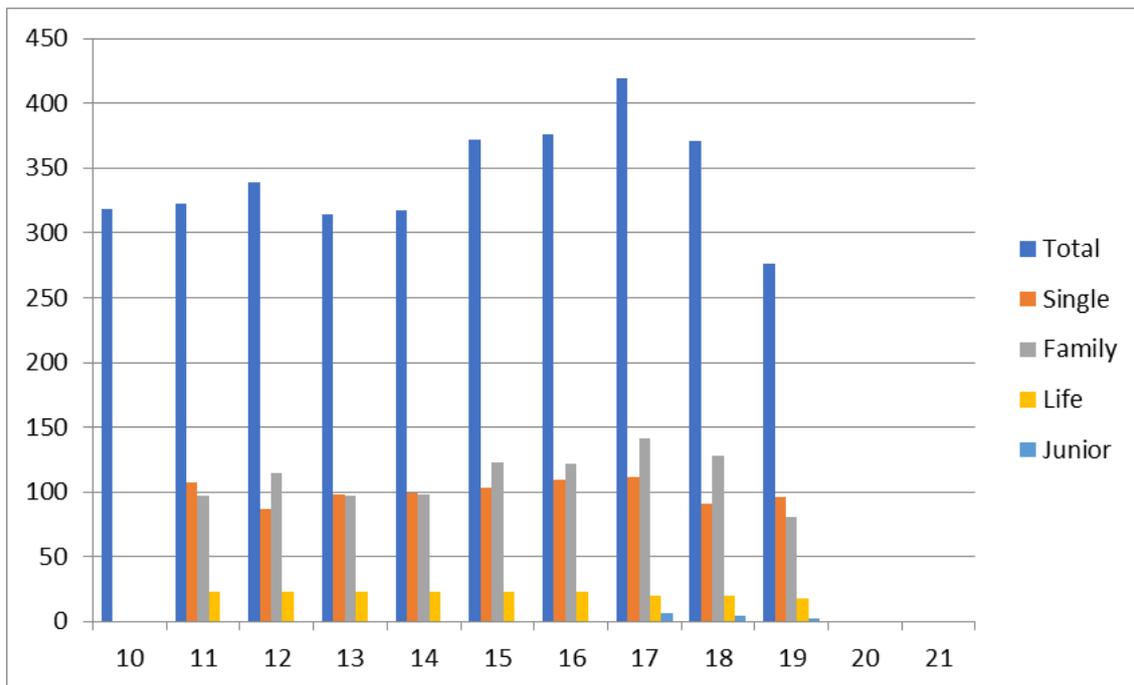

In closing I would like to say that the behavior of a small number of our members leaves a lot to be desired, and it is hoped that their behavior towards All members improves in the New Year.

Wishing ALL members and their Families a Merry Christmas, a Safe and Prosperous New Year.

Hope to see everyone back in 2020

**Stephen J Collins**

## **MEMBERSHIP GRAPH**

## **CANTEEN REPORT**

### **NATASHA PILGRIM**

I volunteered for the canteen position approximately at the start of July. From the start of July, until the end of the financial year, the canteen has made a net profit of \$4,893.60. Agility trials are a big part of this, with approximately \$750 income from each trial. I am really enjoying the position, even though I am still coming to terms with what is involved.

I would like to thank all the members who have assisted in the Canteen so far, in particular Kym Richards and Joe Seidl. Thank you to the members who support the canteen. I will endeavour to keep improving the service and items available.

The coffee machine has had a couple of issues this year, but hopefully they now all are sorted and it can continue to provide coffee for a number of years.

Over the Christmas break, I would like to go through canteen and do a stocktake. This will help me get a better understanding of the equipment available to use and what stock is in the fridges and freezers.

Merry Christmas and a Happy New Year to All,

I look forward to seeing all members at the canteen in the New Year.

**Natasha Pilgrim**

## **TREASURER'S REPORT**

**PETER FLYNN**

Please see attachments

## **OBEDIENCE REPORT**

**ROB MACPHERSON**

The year has passed so quickly. It started with all the fun of the puppy day, and all the new hopeful members with their dogs eager to learn. As the year progressed so did these members and the quality of the work they have done in the classes has, once again, been excellent. This was never more evident than when, for the third time in a row, we again won the Balmead shield. A big congratulations goes to all the new members, older members, the Balmead team members and the instructors, without whom, none of this would be possible. This year Jenny has put three more recruits through the instructor's course. So next year there will be new faces on the ground assisting members with their obedience goals.

Talking of goals. Many members have had success in trials this year and a keen foursome of Les, Michael, Ingrid and Stewart are attempting to gain their companion dog excellence titles in the new year. Another thank you needs to go out to Tash in the canteen for providing us with all the sustenance so many of us have needed. The early Sunday mornings and late Wednesday nights can be difficult, especially when the weather is less than contusive, and a "on the go" breakfast and coffee or a cool drink is just the ticket.

Once again the end of the year has rolled around before we know it, and we are ready for a well earned rest. I hope you all have a happy and safe holiday and look forward to seeing you all again, refreshed and keen as ever in the new year.

**Rob MacPherson**

**Head instructor.**

# **FIRST VICE PRESIDENT'S REPORT**

**JENNY DELUCIA**

Dear Members,

This is now my third report to the membership of the portfolio, First Vice President which encapsulated obedience, Agility and Rally O Trials throughout 2019.

I start my report by thanking the Obedience School, ably led by our Head Trainer, Robert MacPherson. To our wonderful team of Obedience Instructors, Ian Cameron, Tom Ory, Natalie Davis, Ingrid Hanegreefs, Stewart MacPherson, Martin Kimp-ton, Zoran Polyichanin, Donna Polyichanin and John Barnett, I sincerely thank you all for your dedication and commitment to the Club and its training school to ensure the highest level of training is provided to our members. Sadly, both John Barnett and Ian Cameron have battled health issues this year yet still attended Club in order to help others. You are all a very valued part of our Club.

This portfolio is time consuming and cannot be carried out without a team effort. I sincerely thank, Judy O'Loughlin who organised the trophies, sashes, place cards, production of all catalogues, stewards gifts and countless hours spent on paperwork. To Gillian Smith, who was amazing in her organisation of judges and stewards and ensuring events were professionally run. I can't thank these two ladies enough and would be lost without them. I also wish to thank, Andrew O'Loughlin who was very supportive of me in this role.

From the period May 2019 to August 2019, the Club held one Obedience Trial (Balmead), one Endurance Test, two Agility and Jumping AM and PM trials, and Rally O. From the financial statements, you can see that the obedience receipts show an overall profit of just under \$1,000.00 which is very pleasing. The Balmead Trial was held in May as opposed to the traditional August date in the hope of better weather conditions and entries which I believe was achieved as the total entry was, 74. I have decided to re-stand for the position of First Vice President and hope to continue a successful 2020 with your support.

# **IST VICE PRESIDENT'S REPORT**

## **JENNY DELUCIA**

The Rally O was an inaugural event for our club which attracted an entry of 35 competitors which whilst modest, did not run at a loss. Our Agility and Jumping Trials remain very successful and lucrative to the club and the popularity of both has not waned. Our ET this year was very well attended attracting a total of 12 entries. Thank you to Dr. Neil Thies from Willunga Vet Services for once again acting as the vet for this event, something he has done now for about the last 20 years or so, and to, Wayne O'Loughlin, who acted as pacemaker. Each event was followed up by an article which was printed in the Shepherd News. I thank the club members who volunteered to act as Stewards at these club events, your help was greatly appreciated.

An Instructor's Training Course was run this year with three participants, Michael Tamasi, Leslie Khabbaz and Darren Stanton. Darren, as some of you may be aware, has been a past Head Trainer at the previous Northern Branch many years ago and was sitting in on the course for a refresher only due to a leave of absence. As I write this report, the course has not quite reached its conclusion with the practical examination still to be completed followed by the active component. I am sure that all members will join me in wishing these three members all the very best and congratulate them on their achievements.

This year, I approached different breeders within our club for the "Meet the Breeder" feature that appeared in the Shepherd News during the year and that showcased: Taurorn Kennels, Arkahla Kennels and Damonte Kennels. I hope that you all found these interviews interesting and that they gave you an insight into our Club Breeders and am happy to advise that this will be continued next year and will also include, "Meet your Obedience Instructor".

To the canteen and catering staff, ably led by, Natasha Pilgrim and Kerry Kennedy, I thank you and your dedicated crew for your efforts and hard work at club events.

To all those who assisted in any way, thank you!

Wishing all members a Merry Christmas and successful and productive, 2020.

**Jenny De Lucia**

# **2ND VICE PRESIDENT'S REPORT**

## **CHRISTINE COLLINS**

The year 2019 is drawing to a close, and it is time to reflect on another year.

I would like to thank my sub-committee, they make the Breed Affairs portfolio much easier. Mrs Judy O'Loughlin as Show manager with her son Andrew helping out. Andrew also compiles Point score and excellent awards. Jenny De Lucia has taken on the task as Breed Survey registrar. Robert Evans for Hd and Elbow registrar and microchip Officer. Many thanks to Peter Flynn our Breed Survey co-ordinator, Peter's position is the liaison between the Club and National Council and also organizes the smooth running of Breed surveys on the day.

Thank you all.

### **Breed Survey Registrar**

Jenny has officiated over Four (4) Breed Surveys this year. The power point presentation for Breed Surveyed animals takes a considerable amount of time to research and present, this enables the Breed Surveyors to gain additional information on the family of the animal being presented.

At the Four (4) breed surveys a total of Twenty Eight (28) animals were presented compared with Thirty eight (38) last year.

Many thanks to those members who volunteer to pencil at the Breed Surveys.

### **Shows**

Judy has managed our Five (5) shows/member competitions as well as a magnificent job organizing Trials assisting the Trials manager. Judy has a small band of helpers which enable the Club to hold events that are very well organized with a minimum amount of fuss.

### **HD/ED Registrar**

Robert has continued on in this portfolio and has ably attended to the member's requirements of providing forms.

Please remember to allow sufficient time to arrange for the HD/ED forms to be made available.

## **2ND VICE PRESIDENT'S REPORT CONTINUED**

### **CHRISTINE COLLINS**

#### **Breed Surveys**

Many thanks to our Breed Surveyors J Butterfield, P Flynn, J Pike, D West, S Collins for their continued contribution. SA is lucky in that we have so many Breed Surveyors who are actively showing and breeding. Their advice is from years of practical knowledge.

We will be having another puppy day on January 12<sup>th</sup> 2020 starting at 11am. A BBQ lunch will be served. Please bring a salad. All puppies welcome please bring vaccination certificate. Ages from three (3) months to nine (9) months. It is due to a small band of people that keep the club ticking long and as we are getting older we need some younger people to take an interest in the club and help out.

Member Breeders are reminded that the Club provides information packs for Puppy buyers, this includes a membership discount voucher that members should utilize.

Many thanks to my husband for his continued support throughout the year.

Wishing ALL members and their Families a Merry Christmas, a Safe and Prosperous New Year.

Hope to see everyone back in 2020

***Christine Collins***

# **COMMUNICATIONS REPORT**

## **ANDREW O'LOUGHLIN**

This year on committee saw me take on the role of communications again—maintaining the website and Facebook and publishing Shepherd News. The website has been a new adventure for me, having to learn a different management program, but thanks to the help of Jane Pike it has been very easy to come to term with. It is a long term project to now try and continue to improve the website and bring it back to being as user friendly as our old website was.

The Shepherd News is something that is hard to keep interesting and find articles for. I will continue to try and find historical articles, as well as informative articles that may be beneficial for members, but if anyone has something they think would be appropriate for Shepherd News, please let me know. It may be more useful than you think!

Next year I will be trying out a few new things for Shepherd News—It will be more colourful, hopefully higher quality images and pages, and able to be viewed as a flip book on the website. This won't mean that you can't still download it—it will still be available as a pdf on the website to download. It may mean printing it may be more difficult, but we will cross that bridge when we get there.

I look forward to working with the committee again next year.

***Andrew O'Loughlin***

# **INFRASTRUCTURE REPORT**

**JOE SEIDL**

Dear Members,

Yet another one of many club years has come to an end and with it one of many years on committee for me.

You may have noticed that I did not write too many monthly reports in the Shepherd News magazine, which was due to the type of activity carried out on a monthly bases at the club.

Most of it was small preventative type maintenance, like cleaning the gutters, painting hand rails and entrance, replacing some plumbing items and general tidy.

We did have some storm damage to one of the light poles and to one of the vent pipes, most of which was paid for by the Club's insurance which was a bonus and helped to keep costs down.

Due to a shortage of portfolio holders, namely the Canteen Manager role, I also did the Sunday shift in the canteen for a few months and helped at club events.

Things really started to look up when, Tash Pilgrim, took over the running of the canteen, as she is well organised and pleasant to work with which made for a pleasant working environment. The improvements that Tash made can best be seen by comparing the financial statements.

It was a pleasure to work with this year's Committee as we all helped out in each other's portfolio at any given time.

I have put myself forward again for committee, as my life style is now most suitable for taking time to attend club. As most of you would know, I'm a club first person, meaning, I work for the club, not having the club work for me, or taking advantage of my position.

There will be many challenges in the coming year, but as always, I will make sure members have access to all the information so they have a choice in the decision making process.

Wishing you all a Merry Christmas and a Happy New Year.

**Joe Seidl**

# **TROPHY CO-ORDINATOR & SHOW MANAGER'S REPORT**

## **JUDY O'LOUGHLIN**

After over 50 years the Balmead Shield is full!!! I am in the process of organising (with Jan Brabham's approval) a new, larger Shield which will have all the winners listed on it. The old one will remain in the clubrooms as part of our history.

This financial year the club has conducted 4 Member's Competitions, 2 Open Shows and our usual 2 Championship Shows held over the June long weekend.

This year, in honour of Roy Brabham and Jürgen & Joylene Neddermeyer, we permanently renamed our Championship Shows in June to the "Roy Brabham Memorial Championship Show" (held on the Saturday) and the "Neddermeyer Memorial Championship Show" (held on the Sunday). The Roy Brabham Memorial Trophies are given to the Challenge Stock Coat Dog and Bitch on Saturday and on Sunday Challenge Stock Coat Dog receives the Jürgen Neddermeyer Memorial Trophy and Challenge Stock Coat Bitch receives the Joylene Neddermeyer Memorial Trophy. The winners of all shows are listed below.

After a few years of declining numbers at shows, this year we managed to maintain similar numbers to last year. Members Competitions were around 45, Open Shows around 30 and both Championship shows both just over 100 entries.

Once again I must say a big thank you to our stenographers, especially Donna Vigor. Thanks also to all our Child Handler judges, our stewards, especially Ian Cooke, and to everyone that helped put up and pull down the rings & tents and helped me in any other way throughout the year. . Also thank you to Kerry for your scrumptious meals.

I have one more year to serve on committee after which I will not be seeking re-election. I have thought long and hard about this and decided that I need a break as it is becoming a chore rather than something I love to do.

Thank you to all the members for your support once again this year and I look forward to seeing everyone at the AGM and our Presentation/Break Up in December.

Merry Christmas and Happy New Year to everyone and I hope that you all enjoy the Christmas break.

**Judy O'Loughlin**
