

# SHEPHERD NEWS

OFFICIAL PUBLICATION OF  
THE GERMAN SHEPHERD DOG CLUB OF SA INC.

ANNUAL REPORT 2021

# **PRESIDENT'S REPORT**

## **JOHN DE LUCIA**

I once again have great pleasure in presenting to the membership of the GSDC of SA my Annual Report for 2021.

I would like to thank my family for their ongoing support and help throughout the year. I also would like to thank the Committee for their support and assistance along with many club members and non-members who have assisted the club and myself.

Sadly, we saw the passing of some long-standing members and friends of the German Shepherd Fraternity this past year. Our thoughts are with their families.

Our major sponsor of the club is Royal Canin. I thank them for their generous support and contribution of our club and encourage all members to purchase their pet's food from the club.

Each Committee Member has presented their own reports for the Annual Report so I will only give a brief summation of their respective portfolios.

### **TREASURER**

The club, under Peter Flynn's expertise in finances has ensured a yearly surplus for the club. Peter has also assisted in many areas and once again the club is in a healthy financial position with a full report provided by Peter.

Thank you, Peter.

### **HON. SECRETARY**

Stephen Collins has the onerous task of all club administration along with looking after the Shepherd Shop. Stephen has excelled in both of these areas and has ensured a fantastic profit for the club via the Shepherd Shop sales. A great effort, thank you, Stephen.

### **FIRST VICE PRESIDENT**

Jenny De Lucia has looked after the Obedience Training School and Trials portfolio again this year. With the increase in obedience trials due to the unfortunate loss of our Agility Trials, the attendance at the trials was very good. An instructor's course is planned for 2022 so good luck to the three participants. Thank you, Jenny.

### **SECOND VICE PRESIDENT**

Christine Collins has once again held this position and managed the Breed Affairs portfolio that covers shows and breed survey with her usual flair and along with her sub-committee has ensured all events ran smoothly. The puppy days are very popular and another day is planned in January 2022. Thank you, Christine.

### **SHOW MANAGER**

Kiara Stacey is one of our younger and newer Committee Members and did a great job managing the shows. Kiara also managed the club's social media pages which she excels at. Thank you, Kiara.

### **INFRASTRUCTURE**

Joe Seidl – one of our oldest Committee Members but still able to hold his own. Joe has done numerous jobs throughout the year and also assisted in other areas such as Canteen. Joe has decided not to stand for Committee again in 2022 deciding that the time has come to end the journey that saw him spend 30 years serving the members of this club. I, on behalf of the Committee and members, sincerely thank, Joe for all his hard work and dedication to the club. Thank you, Joe.

# **PRESIDENT'S REPORT CONTINUED**

## **JOHN DE LUCIA**

### **CANTEEN**

Natasha Pilgrim did a great job running the canteen again this year and even managed to bake some goodies to sell. The canteen returned a profit thanks to her efforts and those of her helpers, Kim and Michelle. Natasha has decided to not stand for Committee next year so I thank her for her time and effort running this portfolio. Thank you, Natasha. Michelle Monti has put her name forward to join Committee and has expressed an interest in running the Canteen.

### **SPECIAL PROJECTS/GRANTS**

Carl Withey has joined the Committee part way through the year and was given the task of preparing and submitting applications for grants to various agencies and has done an incredible job with the club receiving its first grant for a defibrillator and first aid kit along with specialised training in First Aid for our instructors. A fantastic effort from Carl and I know that he is working on several other applications for grants. Thank you, Carl.

The club is in a healthy financial position again this year, finishing with a surplus with a good cash reserve on hand. Since I have been President, the club has maintained a health financial position thanks to a great effort from a great team that I am very proud to have worked with.

I would like to extend a very big 'thank you' to Kerry Kennedy who managed the Catering for the club again this year along with her helpers, Kim and Jenny Hicks. The lunches for judges and officials has been fantastic and is renowned far and wide.

I sincerely thank all of our Show Trainers, Breed Surveyors, Obedience Instructors and the general members who have helped out in any way this year.

A big thank you to all of our sponsors as this support is vital to our club and finances.

The Harmonisation Program from Germany continues to dominate and will continue to do so for a while yet.

Our club will host the 50th National Show and Obedience Trial in 2024 which has blown out due to Covid. The National in 2022 is planned with the host being the League in NSW. The show will look a little differently due to local judges being sourced, however, it is still a National and the premier event of the Shepherd world. I hope to see many of you there.

Finally, I see many members using social media so I just want to say please think before putting up a post that denigrates other members. We are all workers and volunteers for YOUR club and not your servants. Please be respectful.

I wish all members a safe Christmas break and look forward to seeing you all again next year.

John J De Lucia  
President

# **SECRETARIAL REPORT**

## **STEPHEN COLLINS**

This year was a return to normal training, trialing and showing for the most of us with the lifting of most Covid-19 restrictions. We have been very fortunate with our very low statewide Covid cases. I would like to thank ALL members for co-operating with Covid check in each week.

To ALL those members who attended training on a regular basis and achieved their training goals. Well, done.

To our Instructors who front up each week no matter what the weather I would like to thank you for all of the work and your commitment for the Club. Without these dedicated members it would be difficult to maintain the high standard of training available.

With the Agility Dog Club leaving our facilities it was necessary to cancel the Agility trials and replace them with Obedience trials, this change has had a minimal impact on the Club and its finances. We are actively seeking other Clubs who might like to utilize our facilities throughout the coming years.

Membership is up this year by approximately forty five (45) members this year which is a particularly good result.

Please refer to the graph included in this report.

To the Breeders who support the Club and encourage puppy buyers to join the Club many thanks and keep up the good work. Breeders are reminded that discount vouchers for Membership are available from the Secretary for Puppy buyers.

Many thanks to my wife for her continued support throughout the year.

The upcoming Annual General Meeting will be held on Friday November 19th commencing at 8.00pm.

The members support for the Royal Canin range of canine nutrition has been exceptional and we will continue to provide the best prices possible for Royal Canin products.

If anyone has a specific requirement, please let me know and I will make every effort to source the product.

Wishing ALL members and their Families a Merry Christmas, a Safe and Prosperous New Year.

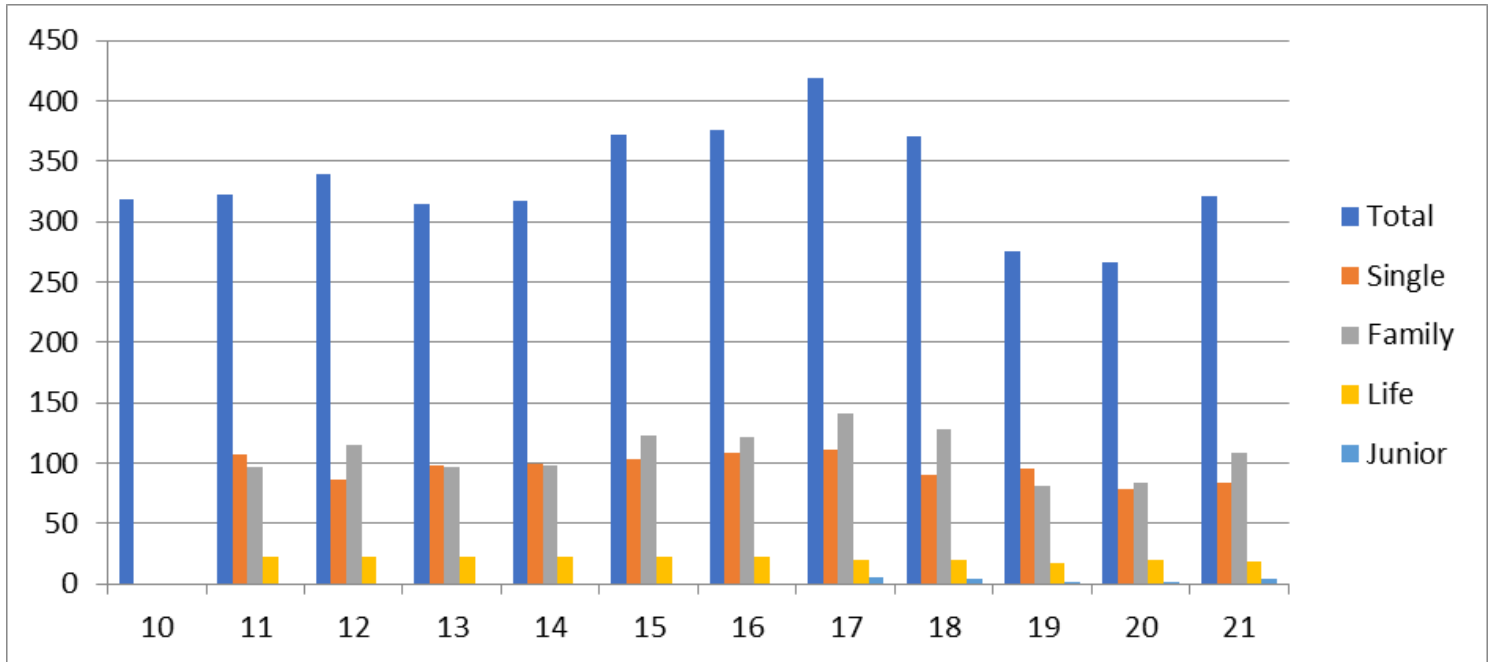

Hope to see everyone back in 2022

Stephen J Collins

# **TREASURER'S REPORT**

**PETER FLYNN**

Please see attachment for financial report

## **Treasurers Report for 2020-2021 Financial Year**

### **German Shepherd Dog Club of South Australia**

This is the tenth financial report that I have the pleasure in presenting to the members. As always I would like to thank all the other members of committee that I worked with during the year, who dutifully kept all receipts for expenses, and made out receipts for income received. Without this cooperation it is would be very difficult to do the Treasurer's job.

The financial statements have been prepared mainly on a cash basis. The only accrual entries are: (1) 2021/22 membership fees which have been posted to Deferred Revenue in the Balance Sheet (amount = \$3,984); and (2) dog food on hand at the end of the year to inventory for \$2,097.

Debtors of \$300 were for Falcon GT Club which paid the account on 8/10/2021. Creditors of \$2150.28 were made up of \$1214.28 for DogsSA for show levies etc: and \$936 for the German Shepherd Dog Council of Australia for HD/ED forms. Both of these were paid for in October 2021. Other Liabilities of \$4989.95 is due to club receiving a grant from the West Torrens City Council which obliges us to purchase a Defibrillator and provide training.

The Balance Sheet shows that our overall cash position increased by \$18,287.55 with an overall cash balance at the end of the financial year of \$43,218.76 which is a sound position for the club. The main reason for the cash increase is the council grant received and the financial performance of the club. Net Surplus for the year was \$7,745.61 which compares to a Surplus in the prior year of \$2880.20 which is an improvement of \$4,865.41.

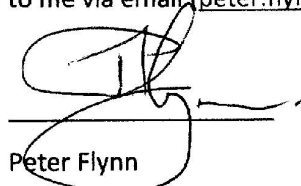

The major contributors to the surplus were the profits from the Shepherd Shop = \$10,822.63 and the canteen = \$1,951.08.

I also note that the club earned \$1,540 by manning the DogsSA canteen during the year. Thankyou to all those members who volunteered their time.

Overall a pleasing result for the club.

While the 50<sup>th</sup> National Show and Trial has been pushed out to 2024 which we will host we still need to be much more active in fundraising activities if we want to make the event the best ever.

If any member has any questions on the financial reports I would appreciate if you could send them to me via email ([peter.flynn048@gmail.com](mailto:peter.flynn048@gmail.com)) or contact via phone (0468 814 438) before the AGM.

Peter Flynn

Hon. Treasurer

German Shepherd Dog Club of South Australia Inc.

**THE GERMAN SHEPHERD DOG CLUB OF SA INC**

**AUDIT REPORT**

**30 SEPTEMBER 2021**

**Scope**

I have audited the Financial Statement of The German Shepherd Dog Club of SA Inc comprising the Balance Sheet as at 30 September 2021 and Statement of Receipts and Payments for the year then ended. The Club's Committee are responsible for ensuring the Financial Statements meets the financial reporting requirements of the Club's constitution and is appropriate to meet the need of the members. I have conducted an independent audit of the Financial Statement in order to express an opinion on it to the members of The German Shepherd Dog Club of SA Inc.

The Financial Statement has been prepared for distribution to the members for the purpose of fulfilling the Club's financial reporting requirements under its constitution. I disclaim any assumption of responsibility for any reliance on this report or on the Financial Statement to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

My audit procedures include examination, on a test basis, of evidence supporting the amounts in the Financial Statement. These procedures have been undertaken to form an opinion as to whether, in all material respects, the Financial Statement is presented fairly.

**Audit Opinion**

In my opinion, the Financial Statement of The German Shepherd Dog Club of SA Inc presents fairly its financial position as at 30 September 2021 and its receipts and payments for the year ended on that date.

D RICHARDSON CA

Dated 29 October 2021

# **FIRST VICE PRESIDENT'S REPORT**

## **JENNY DE LUCIA**

This will be my fifth report to the members for the position of First Vice President which covers Obedience, Agility and Trials and the training school.

I acknowledge once again the outstanding contribution made to our club's training school, led by the Head Instructor, Robert MacPherson, the Assistant Head Instructor, Michael Tamasi along with our team of amazing Obedience Instructors. Thank you to, Tom Ory, Natalie Davis, Ingrid Hanegreefs, Stewart MacPherson and Les Khabbaz. We have a very talented and dedicated team of Instructors who freely give of their time every Wednesday and Sunday to provide quality instruction to our members.

I will be conducting an Instructor's Course in 2022 to add to our pool of instructors and provide even more support to the training school and members.

The club held four Obedience Trials and one Endurance Test this year. No Agility trials were held this year as we did not have access to the equipment needed so an obedience trial was held in its place.

### **30 May 2021 The Annual Balmead Shield Trial**

Unfortunately, the club was unable to put together a team to compete for the shield but there were two teams competing for the Balmead Shield. Dover Gardens Kennel and Obedience Dog Club and Para Districts Obedience Dog Club. The winner of the Shield was, Para Districts with an impressive total score of 559. Dover Gardens second with a total score of 309. Congratulations to the team members, Lyn Carroll with 'Stryker', James Wissell with 'Blitz', Karen Moralee with 'Amelia' and Chrissy Dalla Valle with 'Jess' as reserve. Thank you to the Judge, Mr Neil MacDonald for officiating in the Balmead Ring.

### **3 July 2021 Obedience Trial**

Unfortunately, due to illness, I was unable to attend this event. I sincerely thank, Gillian Smith, Judy and Andrew O'Loughlin, Joe Seidl, Stephen Collins and of course, President, John for making sure that the day ran smoothly and also for the pre-trial set up.

We had an impressive total of 52 entries. The day was very cold with some rain but nonetheless, ran very smoothly.

### **1 August 2021 Obedience Trial**

This trial was on the heels of a seven day lockdown in South Australia due to a Covid outbreak. After consultation with SAPOL, the Covid Hotline and Dogs SA, it was deemed that if we followed the club's Covid Safe Plan and adhered to SA Health restrictions, the trial could go ahead.

The trial had a great entry of 63 competitors and we had 10 scratchings on the day. The weather was kind to us given the amount of rain the day before. Big thanks to our judges on the day, Neil MacDonald, Jan Brabham, Tony Brennan and Anne Twaddle, thank you also to the stewards who did a great job in ensuring the trial ran smoothly.

# **FIRST VICE PRESIDENT'S REPORT CONTINUED**

## **JENNY DE LUCIA**

### **14 August 2021 Endurance Test**

The ET commenced at 8.00am and the weather conditions were perfect. We had a total of 9 entries with the breed represented being, GSD LSC, Samoyed, Belgian Shepherd (Malinois), Labrador, Nova Scotia Duck Tolling Retriever, Whippet, Jack Russell Terrier. Unfortunately, four of the exhibitors failed the ET so we had a total of 5 passes.

The ET was once again judged by our own, Mr Brian Fielder who cycled the course with the competitors. The veterinary surgeon was, Dr Neil Thies (BVSc (Hons) MAVS) from Willunga Vet Services who has officiated as Vet at our ET trials for over 20 years. Dr. Thies has always jogged the 20km long ET and did so again this year. Our Pace Setter was, Wayne O'Loughlin who cycled the course leading the competitors and ensuring a consistent speed and time were kept. Wayne has also helped at our ET trials for many years now. Our two - time keepers - were, Gillian Smith and Bon Jordan who ensured that each section of the test and rest breaks were timed. Gillian was also our SACA Rep. Our assistants on the day were, Judy O'Loughlin, John De Lucia and myself.

### **28 August 2021 Obedience Trial**

This trial saw an entry of 51 competitors. Once again, we were very lucky with perfect weather conditions. Unfortunately, I was unable to officiate as Trial Manager at this trial due to a previous commitment. We had arranged for, Donna Vigor, to officiate as Trial Manager on the day however, due to an emergency with one of her dogs, she was not able

to attend either.

The club and myself, are indebted to, Judy O'Loughlin and Gillian Smith, who both ensured that the day ran smoothly. I sincerely thank both of them and also the stewards and competitors who assisted to put out and bring down equipment.

I wish to sincerely thank the members and volunteers who attend these events to make them a success. To Kerry and her team of helpers for providing the catering, Tash and her team for running the canteen and the club members who volunteer to steward. I extend an extra special 'thank you' to, Judy O'Loughlin who produces the catalogues, orders ribbons and trophies and assists with the paperwork on the day. To Gilliam Smith, who is responsible for submitting all the schedules to Dogs SA, contracting Judges and Stewards, assisting with paperwork on the day and is the 'go to person' for help! I would not have been able to take on this role without these two key people and I can't thank them enough.

I take this opportunity to wish all members and their families, a safe and Happy Christmas and New Year.

Jenny De Lucia

First Vice President

# **HEAD INSTRUCTOR'S REPORT**

**ROB MACPHERSON**

This certainly has been the most amazing year. We all know why, yes, the covid. It really affected the obedience. There was a shutdown of training prior to last Christmas and again earlier this year. Vital time needed for novice handlers to build skills and confidence to trial was lost. Due to this we were unfortunately unable to field a team in the Balmead trial. However, we have been very lucky in South Australia and once we got back to training made remarkable progress.

Attendance in all classes has been high and the instructors have been very busy. I have asked Jenny De Lucia to run another instructor course for a few promising handlers and this should happen next year.

I would like to congratulate those who gained obedience titles this year. Robert Shepherd passed CCD and Christin Cooper passed CD. We also had three of our instructors pass their Open CDX titles, Ingrid, Les and Michael.

I feel privileged to have our instructor group and simply put they are the best. So, I would like to thank Tom, Natalie, Stewart, Les, Michael and Ingrid for all they do. The obedience training could not be achieved without the time and effort they so freely give.

I am looking forward to next year. I am confident we will have a Balmead team and do our club and breed proud. We will also have a few handlers competing in UD for the first time in a while. I think it is going to be an exciting year for one and all.

Rob MacPherson

Head Instructor

# **2ND VICE PRESIDENT'S REPORT**

## **CHRISTINE COLLINS**

The year 2021 is ending, and it was good getting back to normality with respect to dog activities.

I would like to thank my sub-committee; they make the Breed Affairs portfolio much easier.

Kiara Stacey as Show manager with this being her first year as Show manager Kiara did a fantastic job.

Andrew O'Loughlin compiles Point score and keeps a tally of excellent awards. Jenny De Lucia has again taken on the task as Breed Survey registrar.

Robert Evans for Hd and Elbow registrar and microchip Officer. Many thanks to Peter Flynn our Breed Survey coordinator, Peter's position is the liaison between the Club and National Council and organizes the smooth running of Breed surveys on the day. Thank you all.

### **Breed Survey Registrar**

Jenny has officiated over Four (4) Breed Surveys this year. The power point presentation for Breed Surveyed animals takes a considerable amount of time to research and present, this enables the Breed Surveyors to gain additional information on the family of the animal being presented. At the Four (4) breed surveys a total of Twenty-Five (25) animals were presented With One (1) fail Congratulations to everyone that presented their animals for survey. Many thanks to those members who volunteer to pencil at the Breed Surveys.

Congratulations to Jenny De Lucia who is now a trainee Breed Surveyor, we wish her well for the future.

### **Shows**

Kiara has managed all of our conformation events this year except for one member's competition. Kiara has a small band of helpers which enable the Club to hold events that are very well organized with a minimum amount of fuss. To ALL those who assist with the setting up and pulling down of the ring I thank you and look forward to your continued assistance in the future.

Kerry Kennedy and her helpers have again excelled in the presentation of official luncheons on event days.

.

### **HD/ED Registrar**

Robert has continued in this portfolio and has ably attended to the member's requirements of providing forms. Please remember to allow sufficient time to arrange for the HD/ED forms to be made available.

# **2ND VICE PRESIDENT'S REPORT CONTINUED**

## **CHRISTINE COLLINS**

### **Breed Surveys**

Many thanks to our Breed Surveyors J Butterfield, P Flynn, J Pike, D West, S Collins for their continued contribution. SA is lucky in that we have so many Breed Surveyors who are actively showing and breeding. Their advice is from years of practical knowledge.

Member Breeders are reminded that the Club provides information packs for Puppy buyers, this includes a membership discount voucher that members should utilize.

Many thanks to my husband for his continued support throughout the year.

Wishing ALL members and their Families a Merry Christmas, a Safe and Prosperous New Year.

Hope to see everyone back in 2022

Christine Collins

### **Breed Survey Registrar SA - Annual Report 2021**

During the year, 2021, the club held four breed surveys with a total of 26 animals presented which included one fail.

Survey Date	21/02/2021	x 4
Survey Date	02/05/2021	x 11
Survey Date	08/08/2021	x 6
Survey Date	10/10/2021	x 5 (including 1 x fail)

The total number of animals presented increased by one, compared to 2020 which had a total of 25 animals presented.

It would be appreciated if members who present animals to survey, provide clear and legible paperwork as sometimes, hand written forms or poorly scanned copies of original paper work can be hard to read.

In an attempt to remind owners to submit a colour photograph of their animal to the NBC Registrar, I have started giving out printed slips of paper that are given to owners on the day with details of where to send their photo to. It is helpful to have a photo of the animal when researching animals on the GSDCA Database and is also a requirement of Survey.

I congratulate the owners for presenting their animals to survey and participating in this very important breed improvement scheme.

**Jenny De Lucia**

**State Breed Survey Registrar SA**

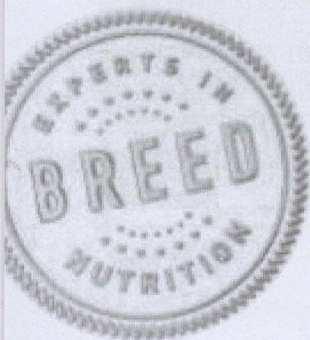

INCREDIBLE IN EVERY DETAIL

WHAT MAKES YOUR BREED  
**MAGNIFICENT**  
MAKES IT UNIQUE.

Your German Shepherd is known for his incredible strength and sensitive stomach. These details are the reason we tailor-made a diet enriched with high-quality, highly digestible proteins, which can help support his digestive performance. When you feed your dog ROYAL CANIN® GERMAN SHEPHERD formula, you'll see him become his magnificent best.

# **SPECIAL PROJECTS REPORT**

## **CARL WITHEY**

On my addition to the committee team in July/Aug, I was asked by the Chairman to look at finding a way to increase our income from alternative sources for a number of projects.

To date we have been able to secure funding for a defibrillator and holding unit, a large modern industrial size first aid box and funding for 16 people to under go a nationally recognised First Aid course.

We are currently waiting to hear if we have secured funding for two new flood lights. Working closely with the head obedience instructor to highlight various agility equipment needed or replaced, we have applied for and awaiting to hear if we are able to move forward on these projects.

We are currently in the process of putting together a capital works project to seek alternative funding to update the club house and grounds.

In 2022, we are looking to gain alternative funding for various other projects as identified by committee and instructors, as we move closer to hosting the GSDCA National Show and Trial in 2024 to ensure we host the best ever National.

Carl Withey

## **CANTEEN REPORT**

### **NATASHA PILGRIM**

This year is drawing to a close and I have decided not to run for a second term on Committee.

The Canteen has been well supported this year with a modest profit of almost \$2000 being realised from events and training days.

I would like to take this opportunity to thank the members who have assisted this year, Michelle Monti and Kym Richards for their assistance throughout the year helping behind the counter. Joe Seidl who worked on the BBQ on event days along with John De Lucia.

On behalf of N Pilgrim

# **INFRASTRUCTURE REPORT**

## **JOE SEIDL**

This year is my final report as a Committee position holder. I have been a member of the club for over 40 years and would have spent about 30 of those years serving on the Committee of the club. I have held the position of Infrastructure and in the past, 'Grounds' when we were still on Tapleys Hill Road. Those of you who still remember the old grounds would know that grounds back then were a big job. It was therefore a relief when we move to our current location.

Preventative maintenance is the best maintenance. The new club house was built to a budget, therefore we had to make some improvements every year as the club budget would allow. This year, we started off with the replacement of the perimeter permapine round seating posts with new flat timber planks which makes sitting more comfortable. Next, we trimmed and cut some of the overgrown trees and shrubs to allow for additional car parking.

We lost some lights which had to be replaced and also our hot water unit which worked well for the past 15 years but unfortunately, needed to be replaced.

These were the major items we attended to and then of course, the little jobs like touching up painting, minor repairs to downpipes et cetera. Due to our close proximity to the marine environment, preventative maintenance will have to be a high priority looking towards the future.

I take this opportunity to thank those members who lent a hand during the year and to also wish all members a Merry Christmas.

Joe Seidl

# **SHOW MANAGER REPORT**

## **KIARA STACEY**

Firstly I would like to thank the GSDCSA committee and breed affairs for the appointment of your 2021 Show Manager, it has been an appointment I have thoroughly enjoyed whilst learning from hiccups along the way. I would also like to thank all the entrants we have had across the 2021 show year and appreciate that we have had seven shows minimally affected by COVID.

I would like to thank Judy O'loughlin for training me and standing in when I was unavailable for the October show, her guidance and assistance has been thoroughly appreciated.

A recap on the year includes the very strong show straight out the gate judged by local judge, Mr Stephen Collins which was then followed by Kurt Morton (NSW) in April. Our Championship Show faced COVID challenges with many Victorian entrants not able to travel and of course our judge Greg Green (VIC) couldn't make it either. Thankfully Ian Cooke (SA) was available and stood in place on very short notice. We thank him for his flexibility. The championship show judges Ian Cooke and Graeme Stevenson (NSW) were heavily supported with entrants I would like to make a special mention to the below exhibits which had the same result on both days of the show:

BEST EXHIBIT IN SHOW \*Lenin vd Grafenberg a ED (Imp Deu)

RUNNER UP BEST EXHIBIT IN SHOW \*Ch Leberhine Jeronimoe AZ

We followed the Championship show with a Members' Competition judged by Salvatoe Pittelli which had even more entrants than those at the start of the year and it was great to see the support for these shows by our exhibitors.

We are yet to host our Members Competition in October with Jenny DeLucia but look forward to seeing the event unfold. The Open Show in November which will have a schedule out soon will also be something we will be keen to see return after not having one in 2020.

I look forward to seeing you exhibiting and please let me know if there is anything I can do which would make it a better experience for you.

All the best for 2022 and the festive season ahead.

Kiara Stacey
