

**GSDCA 60 Day Motions**  
**62<sup>nd</sup> Annual General Meeting**  
**4 February 2023 via Zoom.**

**1. Motion.**

That the German Shepherd Dog Club of Queensland (GSDCQ) hosts the German Shepherd Dog Council of Australia's (GSDCA) National Show and Trial in 2025.

**Rationale**

*The current roster for the National Show and Trial currently sits with three state clubs, namely Victoria, NSW and SA. The GSDCQ wishes Queensland to be considered by the exhibitors who participate at a GSDCA National Show and Trial as a suitable location for the 2025 National Show and Trial. Queensland has a history of hosting the National in a very successful manner, and of prime importance is to make the event enjoyable for all. The GSDCQ is a club that is growing in membership with a proactive and committed committee, that are committed to ensuring this is a successful event. We have the support of the members in this motion.*

**Moved:** GSDCQLD

**2. Motion**

That all correspondence to the GSDCA, incoming and outgoing, that concerns Council business, is circulated to all member clubs within 30 days of receipt.

**Rationale**

*Council Executive may be dealing with issues which can have a great impact on one or more member clubs.*

*It is important that club members, through their club Executive, are regularly made aware of National Council correspondence.*

*This way clubs have the opportunity to provide relevant input for consideration by the Executive.*

**Moved:** ACTGSDA

**3. Motion**

That from this meeting, the following advertising rates in the Quarterly National Review are adjusted to the following rates:

Front Cover: \$130 (Currently \$225 Non-Advertising)

Back Cover: \$115 (currently non-Advertising)

Full Page: \$165

Annual advertising package: For the same copy in 4 editions for Full, Half or Quarter pages a discount of 10% will apply. Other advertising spaces available on request. Non-Members and/or Commercial Rates available upon request

**Rationale**

*Advertising in print media is increasingly threatened by the capacity of advertisers to access other forms of promotion at little or no charge. Advertising revenue supports the QNR and individual members to promote their animals in a lasting manner.*

*Review Editor explained that the rates are expensive relative to digital advertising forums, and it is difficult to sell advertising space. The rates attempt have the balance right between content and advertising, whilst keeping the QNR self-funding. The proposed rates were put in place during Covid and require ratification.*

**Moved:** N&HRGSDC
