

## Judges Summary

I enjoyed judging the Members' Competition and would like to thank the GSDCSA for the invitation, also a special thank to my stenographer, my steward and all exhibitors on the day.

Overall the quality of the dogs shown on the day was quite good, especially within the top place getters in both stock and long stock coat classes. I found the issues presented included short under chest development, soft ears, round eyes, lack of strength of under jaw and over angulations of the hindquarters was evident in some cases. In most cases croups are short and steep as well the forequarter assembly could be better angled.

Salvatore Pittelli.
