

55th Members Speciality Competition

3rd April 2022

Judge – Mrs Nicky McDermott (Vic)

Thank you to the GSDC of SA for the invitation to judge your members comp on April 3rd. It has been some time since I last visited South Australia due to Covid restrictions. It was great to catch up with many friends and fellow enthusiasts that I hadn't seen for too long.

The grounds were in tip top shape as they always are and the hospitality shown to me was excellent. Thank you to my steward Ian Cooke and my stenographer Brigetta who I believe is a Rottie person who gave her time to work with us. The weather was warm and fine which always makes it more pleasant to judge.

I was very pleased with the entry of 78 with only 8 scratched. Many classes had good numbers which presented a welcome challenge. The sportsmanship shown by the handlers and exhibitors was great and the entire show had a very good feel and atmosphere.

There were a lot of dental notations, more than I can remember at any other show I've judged in recent times.

Roman noses seem to be becoming more prevalent, not just at this show but other shows I've attended. Also tails with a twist or cast to one side, this is probably a legacy of long tails. Not too many hook tails.

I was very pleased with the overall character and temperament of most animals, especially during teeth examination and measuring.

The standout classes for me were the two open stock coat classes with a very good depth of quality.

The first two bitches were very typey and when I looked at the catalogue noticed I had a mother and daughter in first and second place. Whilst the 3rd bitch was of very high quality, she was presented in too heavy condition and wasn't fit enough to challenge the first two.

The open dog winner was a very well proportioned, balanced dog that covered the ground effortlessly, he is very correct and workmanlike.

Another standout on the day was the junior LSC male. A very richly colored and well proportioned, typey dog who will be a great asset to the LSC breeders as he comes from two stock coat parents and an alternative bloodline.

I did become a little annoyed by the number of animals that had clearly not been walked and exercised prior to entering the ring. Almost every class had at least one animal that had to relieve themselves. Most animals won't move properly or naturally if they need to empty out. Owners need to prepare their dogs properly, not just in the weeks leading up to a show, also the day before and the day of the show.

It was very interesting to see the progeny of dogs that I hadn't seen over the past couple of years due to Covid.
