Item 7: Maintenance Levy

The committee recommend the introduction of a maintenance levy of between Ten (\$10.00) dollars and Twenty (\$20.00) dollars per membership unit. This will be an annual levy.

Rationale:

The Clubrooms need continual repair and maintenance. Under our Lease and License agreement we have to maintain the building.

EG: tag and test electrical equipment, Sewerage pump maintenance, Asbestos inspections, maintaining the appearance of the exterior and interior, pest control.

Many of these services have to be contracted out as the Club does not have the expertise within the membership to carry out these activities.

Without the introduction of a maintenance levy there will be a continual drain on the Club finances which will not be sustainable

Amendment:

Moved: Mrs J Butterfield that a Building Levy of Ten (\$10.00) dollars per unit of membership be introduced commencing January 1st, 2023, and be reviewed in two years

Seconded: C Collins

Open Discussion:

J Butterfield requested that the minutes of the 63rd Annual General Meeting be changed regarding the discussion over her daughter (G Mercer) eligibility to judge at the Club.
