

# 63<sup>rd</sup> Members Competition

Sunday 7/4/24

**Judge - Matt Morris (NSW)**

Firstly, I would like to thank the South Australian German Shepherd Dog Club for the invitation and opportunity to judge the April members conformation show. The club, both committee and members made me feel welcome and the overall atmosphere of the show was great.

The weather gods were very kind on the day, which led to some enjoyable conditions of sunny but not too hot weather on the day. This also enabled the classes to be worked, which being mindful of the upcoming GSD National show, gave exhibits the chance to gauge where their dogs are situated from an overall performance perspective.

I suggest that work is to be done by the exhibitors and their dogs with relation to showing teeth or for the ability for the judge to check teeth. This also relates to during the individuals, and the requirement of doing the "out & back". If this exercise isn't completed correctly, it can have an impact on the judge not seeing this correctly, therefore possibly affecting your animal's call-out position or even finishing position.

From an analytical scale with respect to the average height of the animals, and for the depth of chest. The findings based on exhibits measured gave a great insight and overall delivered a good result.

*Females: 35 measured with an average height of 59cms and depth of chest 28.5cms.*

*Males: 10 measured with an average height of 64.5cms and depth of chest 31cms.*

A point to be made is that our overall size is within Standard, the average depth of chest is 48% of total height.

The Intermediate & Open classes (SC and LSC) were highlight classes for me to judge, and thankyou to all the handlers for their great sportsmanship, plus all the owners for presenting their beautiful animals on the day.

There were no class run offs or best of breed/show. However, there were best dog and bitch in both varieties.

Best Bitch – LSC \*Ch Damonte Me And Bobbie McGee AZ

Best Bitch – SC \*Ch Gewalt Aramis AZ

Best Dog – LSC \*Ch Babenberg Valentino AZ

Best Dog– SC \*Salvatore vom Grafenwald a ED (Imp Deu)

As I mentioned on the day, Sth Aust members presented some high-quality GSD's which, with no doubt in my mind will be very competitive come the 50<sup>th</sup> Anniversary National in May.

Again, I would like to thank Judy, Jenny, and the committee, along with Peter & Kitty Flynn for their hospitality. Also, Peter for his great stewarding and Donna for doing a great job with being my stenographer.

Regards Matt

Medium size, medium strong dog of very good type. Good head and expression, where the eye should be darker. Good neck, normal withers, straight back. The croup is slightly short and steep. Good fore and very good hindquarter angulations, ideally the upper arm could be longer and better angled. Good chest and underline. Steps not quite correct coming and correct going. Stands not quite correct in front. Very good ground covering gait whilst maintaining a level wither and both the reach and drive should be a little more effective. **Graded Excellent**

A large, strong, substantial male of very good type. Very good head and expression with dark eyes and strong underjaw. Good neck, normal withers, firm back. The croup is short and steep. Good fore and very good hindquarters angulations, ideally the upper arm should be longer and better angled. Very good chest and underline. Steps correct coming and close going. Stands correct in front. Good ground covering gait with good reach and drive where the hindquarters are too deep. **Graded Excellent**
